Perfection in Carpet and Rug Weaving Is Conspicuous in Our Offerings for the Spring 1910

Our window display of Wilton Carpets and Rugs gives some idea of the many exclusive designs and color combinations which have helped make our Carpet Department the mecca of discriminating buyers of floor coverings.

FRENCH WILTONS—"The Rug de luxe," in which is produced coloring that rivals the finest Persian, and a texture that few Orientals equal is shown this season more beautiful than ever. The most delicate color schemes are possible with this perfect Rug and its wearing qualities are a proverb.

HARDWICK WILTON—This new Rug represents perfection in weaving—all the detail possible to weave with a modern loom. The pile is as close as a Persian rug and the modern designs

and colorings will appeal to all lovers of artistic floor coverings.

BUNDHAR WILTON—"Durable as iron"—the most popular Rug and carpet on the market. The Bundhar fabric is well known in Portland homes for its excellent wearing qualities, its exclusive designs and beautiful colorings. It appears this season in new patterns and soft color schemes and place it in a class by itself.

We ask your inspection of what we offer in the new Spring floor coverings. **Carpet Dept. Sixth Floor**
