Miss M. Virginia White Demonstrates W. B. and La Vida Corsets

At Our Store Tomorrow, March 7 to 19

—It is with the greatest pleasure that we announce the arrival of Miss M. Virginia White, expert corsetiere and demonstrator.

—This is Miss White's first visit to the Pacific Coast, having demonstrated exclusively in New York, Boston and Chicago, also on the Continent, where La Vida and W. B. Corsets enjoy a reputation attained by no other American corset.

—The new Spring La Vida is the product of master minds, who have produced in this corset a mold over which to fit gowns of the latest fashions.

—La Vida corsets are built of everything best. The craftsmen, who make them, are skilled costume tailors, who produce each pair entirely by hand labor.

—We invite you to come and have a trial fitting.

—Properly selected and fitted by Miss White your La Vida will give you the figure of a sylph. It will round out the sudden bulges into fading curves, build out sunken lines, flatten the abdomen and lend to the bust just the effect that the new style in waists demand. Each pair is masterly wrought from the finest imported materials.
