rapid than North Yakima's growth was, for the reason that North Yakima was ten years improving what OTHELLO can be. OTHELLO is the division point on the greatest of all trans-continental railroads, the Chicago, Milwaukee & Puget Sound. It is

also the junctional point for the main lines of this road running east and west, and the tributary lines to run north and south into the Moses Lake, Big Bend and Columbia River Countries. City lots which may be purchased in OTHELLO now and paid for upon installments so small that one will never even miss the money, means prosperity and independence for those who are
