**Now at their best are Our Displays of Spring and Easter Apparel for Women, Misses and Children**

With all the grace and charm of dominating fashions—distinctiveness of styles, beauty of materials and colorings, skill of workmanship—the choice of the season's creations in apparel for women, misses and children—a showing that we are confident will meet with your appreciation. You who have yet to choose your Easter garment should plan to do so early in the week—tomorrow, if possible—perhaps the one that you decide on will require some alteration. For suggestion's sake, brief mention of some of the things for Spring and Summer wear is made in what follows:

**Tailored Suits**—The plain tailored styles and those slightly trimmed. And those handsome three-piece models, beautifully trimmed with hand embroidery and braid. Made of soft, light-weight materials, suitable for Spring wear—Eoliennes, French serges, Tussah and Shantung silks and other rough effects in silk. Such splendid variety of styles and colors to choose from—a certainty that you will find just what you particularly admire. Prices from \$25 to \$90 in the two-piece models; \$90 to \$195 in the demi costumes or three-piece models.

**Easter Dresses and Gowns**—A showing that wins instant admiration, and here, too, is variety at its best, for there is only one of each style. It's from just such a collection as this that women like to choose, knowing that their selection will be individual. And what is still more pleasing, they are all popularly priced.

**Women's, Misses' and Children's Wash Dresses for Spring and Summer**—All fast in color—the most important feature in washable garments, for no matter how pretty or how well made they may be, they are not worth buying if they do not retain their color. You are assured that every wash garment in our showing is absolutely color-fast.

**Women's Wash Dresses** in immense variety of styles, from the plainest for house wear to those of pretty imported gingham. From \$2.45 to \$10.

**Children's Washable Dresses**, strictly tailored and in the most practical styles and materials, in almost endless assortment, \$1.50 to \$5.00.

**Imported Lingerie Dresses**—From Paris and hand-made, every tuck hand sewn—of the best sheer materials, with beautiful lace and hand embroidery. From \$45.00 to \$65.00.

**100 Women's and Misses' Beautiful New Silk Dresses go on Special Sale Tomorrow—at \$12.95**

A concession in price offered to and accepted by our buyer during his recent visit to New York explains this remarkable offering that will enable just 100 women to choose one of these handsome Silk Dresses at this interestingly-low price. They're of taffeta silk, and, of course, guaranteed. One style has round yoke of embroidered net, with natural waist line, and the skirt is in that popular tunic effect. This particular model is in the pretty pin stripes—all colors.

Another model is made with three wide Gibson plaits, net yoke and is trimmed with self buttons and narrow silk soutache. This model in black and colors.

Still another model is of solid color taffeta silk. Overskirt effect, with bias folds of self material. Button trimmed.

These Dresses are very simple but nicely made—they're worth twice as much as what we are offering them for tomorrow. Remember, just one hundred of them.

**Odds and Ends from the Display of Quaint Furniture—Bargains**

It's the result of lining-up our showing of living room furniture in the quaint designs preparative to displaying the new stock that is soon to arrive that, we have collected these odds and ends and marked them at such interesting reductions. Two-days' sale, Monday and Tuesday.
