

POULTRY SHOW ENDS

Thousand Boys Are Interested in Economic Aspect.

CROWING RECORD BROKEN

Twelve Times in Ten Minutes Makes New Mark—Youngest Breeder Shows Pair Valued at \$250. Exhibit Proves Success.

Chickens of almost every variety, age and value have been on exhibit at the poultry show conducted under the

entire State of Oregon," said General Secretary Stone yesterday. "From an investigation which we have conducted we have learned that nearly \$1,000,000 worth of poultry produce is shipped here each year from the East and Middle West. We contend that Oregon should be independent of other states in this regard, and we are trying to prove this through the work of our boys."

Attracting attention through the United States and various parts of Europe, a poultry-growing contest, in which 40 boys are entered, is now being conducted by the Y. M. C. A. Each boy has more than five hens entered in the contest and a daily record regarding each hen is kept. The record shows how many eggs are laid, how the chickens are taken care of, what they are fed, etc. Telegrams for particulars of the contest have been received from the department of the Russian government having to do with poultry, and also from fanciers and officials in England. A well-known Eastern magazine has requested that information sufficient for a page story be sent.

The poultry-growing contest will close on November 1, 1910. In the meantime officials of the poultry department of the Oregon Agricultural College receive monthly reports regarding the progress of the contest, and

HISTORIC SPOT SCENE

CHAMPOEG CELEBRATION TO BE HELD TOMORROW.

P. H. D'Arcy Will Preside and W. S. Duntway Will Deliver Oration of Day.

The 57th anniversary of the birth of American civil government west of the Rocky Mountains will be celebrated tomorrow at Champoeg, under the auspices of P. H. D'Arcy, No. 12, Native Sons of Oregon. This will be the tenth anniversary of the dedication of the monument erected by the state to perpetuate that noteworthy event. P. H. D'Arcy, vice-president of the Oregon Pioneer Association, will act as president of the day, and Willis S. Duntway will be the orator. Good music will be provided. The festivities of the day will close with a ball in the evening at Butteville.

This occasion ought to draw a large number of people. Over 2000 were

auspices of the Y. M. C. A. in the assembly hall of the new building during the past two days. There were big chickens and little chicks, and there were fine specimens of poultry which cannot be bought for less than \$250.

To stimulate interest in the raising of good poultry, officials of the Y. M. C. A. have been working in conjunction with the poultry department of the Oregon Agricultural College for several months. One thousand boys of Portland are taking a course of instruction in poultry raising, which is issued each month by the Agricultural College and sent out by the Y. M. C. A. "We believe that within 10 miles of the Y. M. C. A. building enough poultry produce can be raised to supply the

make personal examinations of the work of the various contestants. A prize of \$100 in gold is offered for the winner, while those taking second and third prizes will receive \$50 each.

One of the proudest exhibitors at the show, which ended last night, was little Richard H. Kelly, of No. 5 West avenue. He has a pair of chickens on exhibition which are worth \$250, and he is known as the youngest poultry breeder on the Pacific Coast.

A feature of the show was the rooster crowing contest to discover which rooster would crow the most times in 10 minutes. One rooster crowed 12 times in 10 minutes, which broke all records. The exhibit of white and brown eggs—all of large size—was another feature.

present at the celebration last year. In order to reach Champoeg one can take the O. C. T. Co. boat, which leaves the foot of Taylor street at 6:45 A. M. and arrives at Champoeg about 11 A. M. Returning, the boat will leave Champoeg at 4 P. M. Those who prefer going by the Oregon Electric, starting at Wilsonville for the rest of the trip, should take the car not later than 9:15 A. M. This will connect with the boat at Wilsonville for the rest of the trip, about six miles. The boat will return all car passengers to Wilsonville in time for close connection for Portland or Salem.

While refreshments may be secured on the boat and on the ground, it will be well for all who go to take a well-stored lunch basket. Pioneers, sons

and daughters of pioneers, and citizens generally, particularly strangers in the city, are urged to take advantage of this opportunity, as the excursion up the Willamette River at this season of the year is one of the most enjoyable that can be imagined.

"When I arose to speak," related a statesman, "someone hurled a base, cowardly egg at me and it struck me in the chest." "And what kind of an egg was that?" asked a fresh young man. "A base, cowardly egg," explained the statesman, "is one that hits you and then runs."—(Kansas City Star.)

I Believe In The People And I Want The People To Believe In MAKE-MAN-TABLETS

Louis Kaminsky, President Make-Man Tablet Co.

The Great Blood-Purifier and Tonic for Men, Women and Children

I am giving away regular full-size 50-cent boxes of the wonderful "Make-Man" Tablets to prove that they are the greatest all-round tonic, nerve and blood remedy ever known for men, women and children. I say that Make-Man Tablets are the most remarkable tonic that this world has ever produced, and I am going to let you be the sole judge whether or not it is true. I want you to cut out the coupon below, fill it out, and send it by first mail to The Make-Man Tablet Co., Chicago, Ill., and you will receive a regular full-size 50c box of Make-Man Tablets free. When you get the free regular size 50c box, take them as directed, and you will gladly say that they are the most satisfying livener, nerve-rouser, blood purifier, lasting tonic and strengthener that you have ever heard of or taken in all your life.

For Men, Women and Children.

Make-Man Tablets act directly on the blood supply and the nerve centers. They take effect quickly and their results last.

Nearly every man, woman and many children are in need of a reliable, invigorating blood purifier and tonic. Make-Man Tablets represent the most effective combination for these purposes now known. They are the best for men because they give splendid energy, ambition, strength, clearness of mind. They are best for women because they are a foe to anemia, headaches, exhaustion and kidney troubles. Children need them because of their splendid blood-purifying powers. Feeble children will be made rosy and happy by taking Make-Man Tablets.

If you suffer especially from Nervousness, Nervous Prostration, Kidney or Liver trouble, Anemia, Catarrh or other Blood or Nerve Diseases, Make-Man Tablets will open your eyes at the remarkable change they will produce.

Nervous Prostration.

Have you ever had nervous prostration? You will then appreciate the terrible despair and feeling of hopeless collapse that takes hold of you. Rouse the nerves, infuse them with new vigor and strength. Take Make-Man Tablets and you will bless the day you read this article.

Brain Fog.

Brain Fog is a collapse of normal brain function, the brain refuses to work because the brain nerves are overworked. Strengthen them with Make-Man Tablets. You will marvel at the change in yourself.

Insomnia.

The average length of time a person can live without sleeping is three weeks. That shows the short limit between life and death for the victim of insomnia. This affliction is due to overworked, oversensitive nerves which are not strong enough to overcome excitement. Strengthen them with Make-Man Tablets and sleep a sweet sleep.

Thinness.

Nearly every nervous person, or one afflicted with nervous disease or weak nerves, is thin. All the nourishment is wasted by too much nervous energy. The result is nervous dyspepsia, indigestion, gas on the stomach, loss of appetite, loss of flesh, flabby muscles, hang-dog expression and general dissatisfaction with one's self.

If allowed to continue the sufferer is bound to lose flesh and a terrible case of dyspepsia results. Prevent all this, and cure your nervous dyspepsia and put meat on your bones by taking Make-Man Tablets, the greatest tissue-builder and nerve invigorator on earth.

Anemia.

Anemia is lack of blood-quality. You may have enough blood, but the quality is mighty poor. It is more white than red. Anemia is found more often in women than men.

Take Make-Man Tablets, the greatest pure, rich blood-maker known. You'll say so yourself after you have used them.

Exhaustion; Shaky Nerves.

Lawyers, doctors, clerks, brain workers, stenographers, salespeople, mechanics, professional men are all subject to that extreme nervous weakness brought on by overwork. If you are thoroughly exhausted and feel tired most of the day, or continually, or if your hands and bones are shaky from over-exertion, or from the use of too much tobacco or liquor, or from shock, you can take nothing so wonderful as Make-Man Tablets. They will rouse your nerves and keep them on a high level of strength and vigor.

Rheumatism.

Rheumatism is an excruciating disease, and is caused by impurities in the blood, just what Make-Man Tablets correct. The disease once in the system lasts until driven out by correct treatment. Bring this about quickly by beginning to take Make-Man Tablets now. It will knock rheumatism quick by purifying your blood.

Kidney Troubles.

Kidney Troubles are always dangerous. Pains in the back, are usually nature's warning. Bright's Disease is often the result and is alarmingly fatal. Take my warning and take Make-Man Tablets. Start today. You'll not regret it, and you will feel yourself getting better at once.

Liver Troubles.

The liver, just like the kidneys and other organs, is controlled by nerves.

If these nerves are weak, the organs will not do their work properly. Make-Man Tablets not only clean out the liver, but strengthen the nerves which run the brain, purify your blood of bile, and there you are cured, hale and hearty.

Catarrh may appear wherever there is mucous membrane. Make-Man Tablets can stop it by invigorating your nervous system and ridding your blood of catarrhal germs. Simple, isn't it? Try it, and you will be surprised at the change.

Wasted Vitality; Melancholy. To every man and woman who has lost ambition, courage and vitality, and who imagines that he or she is down and out, and is living in the "dumps," I have a word of assurance and encouragement. All I ask is that you have energy enough to do just one thing, go down and get a box of Make-Man Tablets and take them. I leave the rest for you to say and you will thank me.

Every day on this earth is precious. Every day's delay is a day lost, forever. You will never realize what it is to live, the luxury there is in having strength, powerful, vigorous nerves and pure blood until after you have tried Make-Man Tablets. So cut out the coupon below and mail it today, and start in. Make a mark on the wall, put down the date and you will soon look back to that day as your day of deliverance.

I personally guarantee to you—to every man, woman and child, that "Make-Man Tablets" contain no opiates, narcotics or habit-forming drugs whatever. It is a beneficial and safe tonic for you and every member of your family. They are guaranteed by the Make-Man Tablet Co., under the United States Pure Food and Drugs Act of June 30, 1906. Serial No. 3215.

50c A Box; No More, No Less

Make-Man Tablets are sold at 50 cents per box, under a binding guarantee to give satisfaction or money cheerfully refunded. Make-Man Tablets are price-protected and must be sold by retail druggists at 50 cents a box. This price affords the dealer only a fair-living profit.
