LOYAL SUPPORT PLEDGED

Delegates to State Assembly Are Chosen by Districts—Ira C. Powell, of Monmouth, Nominated for the Legislature.

DALLAS, Or., June 25.—(Special.)—Going on record in favor of the assembly of party members, and endorsing the Administration of President Taft, the Republican assembly held in Dallas today was characterized by harmony and enthusiasm unprecedented in the history of political gatherings in Polk County.

Candidates were recommended as follows: Ira C. Powell, of Monmouth, Representative; E. M. Smith, of Dallas, Clerk; W. L. Rice, of Independence, Sheriff; J. B. Teal, of Falls City, Commissioner; J. L. Castle, of Dallas, Treasurer, and R. L. Chapman, of Dallas, Coroner. On motion of the defeated candidate for Sheriff, the recommendation of Mr. Rice was made unanimous.

Following the recommendation of a ticket, which is conceded to be one of the strongest ever proposed by the Republicans of Polk County, the assembly resolved itself into a genuine love-feast, and an hour was given to speaking by the delegates. All pledged loyal and enthusiastic support to the candidates at the September primary, and the assembly adjourned with three cheers for the success of the Republican principles and the Republican ticket at the polls in November.

On the reassembling in the afternoon, Walter L. Toole, Jr., of Falls City, was elected permanent chairman, and, on taking the chair, made a rousing Republican speech which fired with enthusiasm all the delegates present. H. G. Campbell, of Dallas, was elected permanent secretary.

The committee on credentials reported 149 delegates entitled to seats. Election of delegates to the state assembly was based on the Republican vote of each precinct. The county was divided into districts and each district elected its own delegates, the election being ratified later by the assembly.

Delegates to the state assembly are: C. L. Hawkins, A. B. Starbuck, J. C. Hayter, U. S. Loughery, I. F. Youkum, E. C. Kirkpatrick, F. J. Coad, Hardy Holman, Dallas; W. H. Murphy, Buena Vista; H. B. Brophy, W. Hudson, Eola; J. H. Flower, F. K. Hubbard, W. L. Toole, Falls City; R. R. Riggs, Bridgeport; B. F. Swope, C. E. Hicks, J. E. Hubbard, E. E. Padcock, Independence; Ira C. Powell, J. H. Moran, Monmouth; H. J. Elliott, Salt Lake; T. B. Stone, Douglas; George Sargeant, Jackson; R. M. Fowl, Luckanuto; J. J. Thurston, Silver; T. J. Graves, McCoy; W. H. Cadie, Hickey; R. E. Williams, National committee man, delegate-at-large.

In addition to the delegates there was a large number of visitors in Dallas for (Continued on Page 4.)

HUGHES TO RESIGN BENCH? RUN AGAIN

ROOSEVELT TO TELL GOVERNOR HE'S PARTY'S SAVIOR.

Third Term Proposition Said to Be Subject of Conference Soon at Oyster Bay—Colonel Silent.

OYSTER BAY, N. Y., June 25.—(Special.)—Theodore Roosevelt, within a short while, will probe deep into the political situation in New York State with Governor Hughes.

Although Mr. Roosevelt will make no direct request on the Governor that he resign from the Supreme Court bench to which he was recently appointed, he will insist upon the fact that unless Hughes accepts a third nomination for the Governorship and runs next fall the Republican party in this state will be whipped absolutely, and this means that Colonel Roosevelt will try to persuade Hughes to give up the Supreme Court in order to save the Republican party in the State of New York.

HITCHCOCK'S MAN LOSES

Oregon Man Resents Action Against Hofer and Sinnott.

OREGONIAN NEWS BUREAU, Washington, June 25.—Among Presidential nominations that failed of confirmation was that of Sidney Blieber to be Collector of Customs for Georgetown, (Washington, D. C.).

This failed because of opposition by Senator Bourne. When asked his reason for preventing Blieber's confirmation, Bourne said he did not know Blieber, or know anything about his qualifications, but his appointment had been brought about and was strongly desired by Postmaster-General Hitchcock, and Bourne "did not propose to stand for any more Hitchcock appointments if he could help it."

Bourne declared Hitchcock is trying to build up a political machine, in which Blieber was to be a cog. It is understood Bourne took this means of representing Hitchcock's action in preventing the nomination of E. Hofer and J. Frank Sinnott, as Marshal and Collector of Internal Revenue for Oregon, which was due very largely to Hitchcock's opposition.

AUTOISTS LOST IN MUD

Glidden Tourists Missing With 700 Miles Yet to Run.

KANSAS CITY, Mo., June 25.—Frustrated by the long day of trouble on the muddy roads of Kansas, the Glidden tourists began arriving here tonight. Eight of the 11 cars that left Wichita this morning are here.

The others found difficulty in getting through the mud and have either stopped for the night or are delayed. The Chalmers No. 5, with a penalty of 3 points, and the Premier No. 1, with a penalty of 10 points, now have the best scores. The nearest competitor of these two cars is the Maxwell No. 7, carrying 53 points' penalty.

OREGONIAN NEWS BUREAU, Washington, June 25.—Representative Ellis will leave for home early next week, but will stay a few days with his mother at Penora, Ia., on the way. Representative Hawley will leave Wednesday. Neither Oregon Senator has yet made arrangements to go West. The Washington delegation, Senators Jones and Piles, will leave the first of the week. Mr. McCredie leaves tonight after the adjournment, and Mr. Humphrey Wednesday. Mr. Poindexter expects to be detained until the last of the week.

INDIANA SENATORS PITCH HORSESHOES

All Dignity Forgot on "Hoosier Day"

GEORGE ADE HELPS FUN ALONG

Beveridge and Fairbanks Vie With Elusive Quoit.

LEAPFROG MILD DIVERSION

Ex-Governor Durbin and "Uncle John" Studebaker Disport—Dressing Contest Causes Wild Scramble on Humorist's Farm.

HAZELDEN FARM, Brooks, Ind., June 25.—(Special.)—Dignified Senators and Governors played croquet and pitched horseshoes, played mumbleegg and leapfrog, while equally dignified Federal Judges, poets, authors and other dignitaries gave what they were pleased to call an imitation of baseball today at the annual "Hoosier day," given by George Ade, the humorist, at his beautiful farm. Five hundred native sons and daughters, now expatriates in Chicago, came out on a special train and in automobiles to assist in the ceremonies and to deplete Ade's stock of Spring chickens and other edibles.

Autos Meet Distinguished Guests.

Large delegations poured in from Indianapolis and other cities in the state, and there were especially honored delegates from outside cities. All special trains were met by automobiles at Brooks, and the guests were whirled out to the farm. This farm, by the way, more closely resembles some famous old English country place. It is quaint in appearance but modern in every particular. As serving to show that poetry or some other peculiar Indiana quality pays well, Ade said that half a million dollars' worth of automobiles was lined up "back of the orchard."

George Ade Receives Visitors.

George Ade stood under the trees in front of his house and received the guests. Scattered about the green were ex-Vice-President Fairbanks, Senator Albert J. Beveridge and "Uncle" John M. Studebaker, who was classed as a "Hoosier father" rather than a "Hoosier son."

Fat Women Run Race.

A crowd of women shot at a target at another corner, while the fat women ran races in another section. There were fireworks, affinity races and egg-and-spoon races, in which women were obliged to leap hurdles with eggs in spoons without spilling the eggs. In the meantime a large band was playing, rendering the circus suggestion all the more real.

Dressing Contest Is Climax.

As a climax to the afternoon's programme there was a dressing contest, in which a dozen men divested themselves of coats, vests, collars, ties, shoes, socks and cuffs. The clothing was dumped miscellaneous in a box. At the signal each man started to find his clothes, throwing his neighbor's vestments right and left in the scramble. Many prizes were awarded as a finishing touch to the programme.

RUSSIA AND JAPAN TO REVISE TREATY

DIPLOMAT'S VISITING STARTS MUCH TALK.

Baron Rosen and Japanese Ambassador Hasten to Spend Summer at Same Resort.

BOSTON, Mass., June 25.—(Special.)—Rumors are current at Manchester, N. H., that ambassadors from Russia and Japan will meet there this Summer to reconsider certain parts of the treaty of Portsmouth, signed at Portsmouth, N. H., on September 5, 1905, formally ending the Russo-Japan war.

The Japanese Embassy is already settled for the Summer at East Gloucester. Baron Rosen, head of the Russian Embassy to the United States, and a prominent figure at the negotiations at Portsmouth, has suddenly changed his plans and is coming to Manchester to spend the Summer instead of going to Bar Harbor.

While no official confirmation of the rumor could be secured, it was learned from a source worthy of credence that the coming negotiations were the cause of the Baron's coming here.

WOULD-BE BRIDE DESERTS

Rancher Seeking Wife Loses Money to Confidence Men.

LONG BEACH, Cal., June 25.—Out of pocket \$100 and no bride in what George Craighead, a rancher, aged 55, from Brigham City, Utah, says a matrimonial venture has meant to him. He came here looking for the bride to whom he was making inquiries for her fell into the hands of confidence men at San Pedro and lost \$100 on a racing game. He says he advanced the \$100 to Miss Emma Harwell. Failing to find her he returned to his home yesterday.

Following his departure the police located Miss Harwell in a sanitarium and she corroborated the rancher's story as far as it related to herself. She said, however, that she expended the money in making a trip to Brigham City, to discuss matrimony with Craighead, but that he failed to keep an appointment set for June 4. But she returned to Long Beach and now she says in view of all that has transpired she does not intend to marry him.

CITY LIFE GIRL'S UNDOING

Seattle Lass, Lured to New York, Becomes White Slave.

CHICAGO, June 25.—(Special.)—Florence Dale, 18 years old, revealed a story of horror further than led to lead a life of shame for two years when she took the witness-stand in Municipal Judge Himes' courtroom on Chicago avenue today against Frank Arnell, 25 years old, 859 North Clark street. The case was continued to June 29.

8-HOUR DAY PROHIBITIVE

Secretary Fears Battleships Cannot Be Built in Government Yards.

WASHINGTON, June 25.—Secretary of the Navy Meyer, just before leaving Washington on a trip to Hamilton, Mass., announced that he is going to reorganize the accounts of the department. He said that the authorization of the naval supply account in the general deficiency bill makes it possible for him to place the accounts of the department on a business basis in accordance with the recommendations of the civilian expert accountants and the best commercial practices.

LONG, HARD FIGHT, SAYS JACK LONDON

Writer Watches Both Pugilists Training.

JEFFRIES AT STRENGTH'S APEX

His Muscles Wonderful in Velvety Softness.

NEGRO'S OLD TRICKS SAME

White Man's Training Complete, He Is Happy as His Nature Allows in Perfection of His Physicality.

BY JACK LONDON.

RENO, Nev., June 25.—(Special.)—Despite the scribes and sports who fell for the rumor that Jeffries was to box at 3 o'clock this morning, and who journeyed vainly out to Moana Springs at that unearthly hour, Jeffries himself selected the perfectly respectable hour of 10 A. M.

He skipped the rope and shadow-boxed to the time of many tunes which he whistled himself, instead of panting for air in this high altitude, and the punching-bag rattled to the hillside Mendelssohn's "Spring Song."

Jeffries Hugely Kittenish.

All through his couple of hours of hard work today he was kittenish and frisky in a huge way, full of joshes and bubbling with grim laughter. One does not imagine him laughing heartily ever. It is his nature and his makeup to hint of grinning, even when he is jovial to the top of his bent.

After the rope-skipping he stripped and showed the wonderful-built man he is, from the ground up. His legs were like columns—not gnarled and knobby columns, but clean-swell columns, soft-lined and in keeping with the soft-lined strength of the rest of him.

There is little doubt that in the history of the ring there was ever a heavyweight so well and symmetrically proportioned. His thighs are so mighty that they remind one inevitably of the legendary Teutonic warrior, who by the grip of his thighs made his war horse groan beneath him. It would have to be an armor-plated, steel-trussed horse that Jeffries could not make groan.

Muscles Are Wonderful.

Lean-muscles as a Greek athlete, the muscles of his torso begin their long, deep swell outward and upward from the waist. His back muscles play in matted masses, while those of the shoulders andiceps leap into a twisted roll at the slightest uplift of the arms.

DEATH FOLLOWS IN WIND STORM'S PATH

THREE KILLED, SEVEN INJURED WHEN CYCLONE STRIKES.

Hall Adds to Destruction Left by Tornado at Station 60 Miles South of Moose Jaw.

MOOSE JAW, Sask., June 25.—(Special.)—A frightful story of death and desolation as the result of a storm reached the city tonight over the long-distance telephone from Mounted Police Station 343-3, which is situated in the South country about 60 miles from Moose Jaw.

While details are not concise it appears that a cyclone struck the neighborhood at 3 P. M. Thursday, and was immediately followed by a terrific hail storm which swept a stretch of country a mile wide.

Every house and shack in the path of the storm was destroyed. Three persons were killed and seven more or less injured. The crops were utterly destroyed. The dead are: Edward Madoff and his two little children. The injured are his mother, two sisters and two brothers; a hired man named Wilson, leg broken; Palmer, collarbone broken; and two others, Thomas and Ward, cut and bruised about the face.

SEVEN PERISH IN STORM

Prominent Alaskans Believed Lost in Cook's Inlet Gale.

SEWARD, Alaska, June 25.—Seven men are believed to have been lost in a storm which swept Cook's Inlet Wednesday night, according to a report received here today from United States Commissioner Hildreth, of Niek Preclinet, Cook's Inlet. The men, among whom were Joseph Laubner, a prominent citizen of Seward; F. R. Stewart, of Stewart City; W. C. M. Perkins and John Winter, set out in a dory from Kern Creek to cross the inlet. The water was rough when they started and they had not been out long before a terrific storm came up.

It was first thought they might have taken refuge on Fire Island, half way across the inlet, but searchers have been unable to find any trace of them. It is now believed that all were lost. The names of the other three in the party are not known here.

ITALY VOTES DIRIGIBLES

Socialists Oppose, but Chamber Appropriates Big Sum.

ROME, June 25.—(Special.)—The Chamber today unexpectedly voted an expenditure of 10,000,000 lire, about \$1,193,900, for dirigible balloons for the army.

Socialists and Republicans opposed the proposal. They deplored the increased army expenditure as useless, saying war was practically impossible. They advocated disarmament.

The discussion arose during the absence of the Minister of War. He was summoned from the Senate and made an eloquent appeal to the country's national honor. The vote was then passed by a majority of 200.

ORDERING INQUIRY, CONGRESS CLOSES

Taft Congratulated on Personal Success.

RECESS WORK MAPPED OUT

Separate Probes of Oklahoma Scandal Are Authorized.

SPEAKER IN GENIAL MOOD

"Uncle Joe" Holds No Malice, He Says in Statement as House Dissolves—President Signs Virtually All Bills.

WASHINGTON, June 25.—President Taft walked out of the Capitol at 11 o'clock tonight smiling.

The second session of the 61st Congress had just adjourned and he had signed practically all matters of legislation that had been placed before him. He received congratulations from his Cabinet and from members of both branches of Congress upon the successful passage of most of his pet measures. Mr. Taft shook hands all around and continued to smile.

Bribery Inquiry Ordered.

The last measure signed was a joint resolution to authorize the Secretary of War to lend tents to the Appalachian exposition to be held in Knoxville, Tenn., in September, which Mr. Taft expects to attend.

Each house of Congress marked its closing hours by voting for an investigation of the McMurray Indian contracts. Instead of the usual scene of comparatively undignified relaxation from the business of legislation, both houses devoted exceedingly serious attention to the charges of bribery attempted and other forms of improper influence made in the Senate yesterday by Senator Gore of Oklahoma, and subsequently in the House by Representative Murphy of Missouri.

Two Committees Named.

Two separate investigations are provided for, one in each house. Each body passed a resolution creating a select committee of five members to pursue the inquiry to the bottom during the recess of Congress, and to report whether any of its members are, or have been, interested in any of these contracts.

Until a late hour today it looked rather as if the matter would go by default, but as soon as the two houses reconvened at 9 o'clock tonight, after a recess since afternoon, the subject came up with a rush and crowded galleries listened with intense interest to the proceedings which ended in the vote to probe the charges. In the "marble room" adjoining the Senate chamber, were ex-Senators Long of Kansas and Thurston of Nebraska, who have been mentioned in connection with the Indian contract matter.

In adjourning the House, Speaker Cannon made a brief statement in which he said that he held no malice toward anyone and hoped that all would have a pleasant vacation.

POSTAL ATTACKS MERGER

Bell Telephone and Western Union Combination Assaulted by Rival.

LAS CRUCES, N. M., June 25.—(Special.)—The Postal Telegraph Company has obtained an injunction against a subsidiary Bell telephone company in New Mexico for violation of a contract which the Postal Telegraph Company made with an independent telephone company last July for five years by which the Postal Company reached a number of towns in New Mexico by an extension of its service from El Paso to Silver City, N. M. The contract still has more than four years to run.

A few weeks ago the New Mexico subsidiary Bell telephone company bought out the independent telephone company with which the Postal had this contract and then the subsidiary company notified the Postal that on July 1 connection would be cut off.
