Midsummer Merchandise of Unusual Quality Is the Striking Feature of This Sale

The past week has been a very profitable one to all our customers who took advantage of this remarkable midsummer sale. There are still many splendid saving opportunities left and we are exerting every effort to make each week of this sale surpass all previous records. This week's offering is replete with golden opportunities that every purchaser will appreciate. Each department is exerting itself to make a memorable record and these efforts will be to your decided advantage. The bargains mentioned here are but an index of the many good things in store for those who investigate these noteworthy offerings.

The Greatest Values We Have Presented This Season

Women's, Little Women's and Misses' **Tailored Wool Suits**

Every Garment in This Section at One-Half Price

To neglect securing one of these Suits is to miss a suit value rarely offered. Each one is this season's model, of the best materials and showing up to the mark qualities in workmanship and style. Too much emphasis cannot be placed on this particular offering, as these models show a distinctive grace and symmetry unsurpassed by the most expensive costumes. The linings are of good wearable silk and the models show plain tailored, Russian blouse and Norfolk effects; plain, notched and shawl collars; plaited, plain and tunic skirts. The prices range from \$25.00 to \$75.00 and are specially priced for.....**\$12.50 to \$37.50**

Modart Corsets

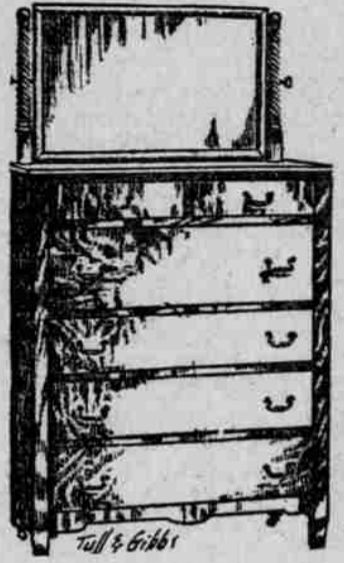

The arrival of our new models in the Modart marks a more distinct waist line, a slightly fuller hip and a longer extension over the hips and abdomen. The soft materials, the flexibility of the boning and the scientific designing of the Modart Corset make it absolutely the best lace-front corset on the market.

Model A—For the average figure is made of imported batiste and boned with walohn, cut with either high or low bust, and is suited for a great range of figures. Priced at**\$5.00**
Model E, which laces both back and front, is the one model which can be put on an "impossible" figure and give perfect results, with absolute ease and comfort to the wearer. This model is cut extra long over the hips and back, but as it encases the figure so perfectly, the length is unnoticeable. Made of imported armure cloth and bone with walohn. At **\$12.50**
