OREGON INVENTORS MANY

ST Patents Are Issued to Those in Month of August.

A young man who went to Portland last week, with the intention of making the city his home, has been found in the hospital suffering from typhus fever. He is a native of the Northwest, and recently married, but had been living in another state for some time. The wife, who came with him, was also found to have the disease, and is also in the hospital. The young man and his wife are said to have been living in the city for only a short time, and it is feared that other cases of the disease will be reported. The authorities are taking prompt steps to prevent the spread of the disease, and have ordered the disinfection of the hospital and other buildings in the vicinity. The young man and his wife are both in a critical condition, and are receiving the best possible care. The authorities are also trying to trace the source of the infection, in order to prevent further cases from occurring.

DEATH OCCURRED JULY 24

Dr. W. S. Armstrong is Charged With Murder.

Mr. John, who died May 1910, was buried in November.

Deceased was a young student who had been at school for a short time. He was always a popular student, and was known for his kind and gentle manner. He was a member of the school's debating society, and was often chosen to represent the school in debates. He was also a member of the school's music society, and was known for his talent on the violin. His death was a great shock to his family and friends, and he will be greatly missed.

The funeral was held on Sunday afternoon, and was attended by many friends and relatives. The body was taken to the cemetery, where it was buried with full military honors. The authorities are investigating the circumstances of his death, in order to determine the cause of his death.

Another Doctor Indicted.

A young doctor who was recently indicted for the murder of a patient, was found guilty of the charge. He had been practicing medicine for some time, and had a good reputation. He was accused of having administered a fatal dose of medicine to one of his patients, and of having covered up the fact. He was found guilty of the charge, and was sentenced to life imprisonment.
