It's Just the Time of Year Now That Shaker Flannel Interests Women

This is particularly true when we can offer a special inducement to create this interest. We received a telegram from a mill, who sells us his Shaker Flannel, to dispose of five cases which through an error was sent to us in excess of our order.

It is of a very good quality, extra weight and especially adapted for petticoats, night gowns and children's wear. It's displayed on our Domestic counters.
