"During the past decade the cost of the Portland concern—we are sorry to say—had seemed to want to take undue advantage of our error in shipping, and has declined to take the planos except at a discount of \$50 a plano less than the low wholesale price we billed them at, knowing of course that it would cost us about that much money each on heaved planes for freight both wave creased proportionately. During the past two years the workers have been mills are now closed down, throwing cost us about that much money each on boxed planes for freight both ways if we had to ship them back to the factory, therefore their ridiculous of-fer. It would mean a loss to us of over \$4000 below the wholesale price on this shipment, and over \$2000 be-low the actual cost to build the planos in our factory at Fail River, Massa-chusetts. We like a sharp buyer; this concern pleases us too well. The result is, we have ended the negotiations, taken pos-session of the planos, and while we are manufacturers only, and not in the re-

session of the planos, and while we are manufacturers only, and not in the re-tail business, we intend to dispose of this shipment of planos right here in Portland to private parties at retail, and at such prices as will give this concern a little of the hottest competi-tion they have ever been up against. In fact, we intend to offer these planos at retail to time buyers, at the exact wholesale figures at which we billed them to this Portland concern at our factory, and to spot cash buyers for five per cent less maney. Now just a word please about the "Cote" plano (pronounced cota, with emphasis on the "a") we realize that our planos are not well known in Port-land, having never before been handled here, but in and through this sale we intend to make them known here as they are east of the Rocky Mountains where they are highly appreciated and handled by most of the large dealers extensively. Our aim is to make a very superior instrument, no matter how plain the case may be, and we believe no body can make it any better. All our planos carry a ten-year guar-antee, stamped on the under top lid of the plano, and we will rake it good without equivocation. In conclusion let me say that as plano builders, and under the condi-tions of this sale, we believe that we can after do are any dealer in this city can afford to give—Think it over. For Rheumatism and Nervousness-No Cure, No Pay **Rheumatism—Cause and Cure** 

Too much urie acid in the system is the cause of Rheumatism, Nervousness, Kidney and Liver troubles, Neuralgia, Backache, and many other complaints. This excess uric acid is a poison-which destroys tissue, retards circulation, and weakens the vital organs.

The only remedy is to eliminate this excess uric acid. The quickest, surest and best way to do this is by wearing Electropodes. These remarkable galvanic insoles remove all poisons and impurities from the entire system-leaving the blood, nerves and tissues in a strong, healthy condition-and every organ free and able to perform its functions properly.

One man writes from Texas "I have used two pairs of Electropodes. They cured me of a very severe case of Sciatic Rheumatism." Another in California writes "I give Electropodes credit for suring my brother, in two weeks, of a case of Rheumatism of long standing." Electropodes are sold under a positive binding contract to return your \$1.00 if they prove unsatisfactory.

At druggists; or by mail, postpaid. If your druggist cannot furnish Electropodes, send

us \$1.00, and we will see that you are supplied immediately. State whether for man or woman.

The purchaser of Electropodes is grant-ed the privilege of returning them within 30 days, and the purchase price (\$1.00) is to be refunded upon the following condi-tions: They are to be worn according to directions for at least 25 consecutive days and then if not satisfactory, to be returned in original box.
