Express Drivers and Helpers
in New York Will Return
to Work.

CHAUFFEURS TO STAY OUT

Jersey City Men Vote to Accept Employers' Terms Making Settlement Possible — Strikebreakers Charged With Theft.

NEW YORK, Nov. 12.—The strike of express drivers and helpers employed by five trans-continental express companies was declared off this evening and it was announced at strike headquarters that the men would return to work Monday.

The close of the strike was brought about by the New Jersey strikers, who voted late today to accept the terms upon which the companies offered to take back the men. They had rejected the terms last night, but a conference of the strike leaders with Mayor Wilentz, of Jersey City, and President Towns, of the New York Merchants' Association, cleared the way for an agreement this afternoon.

New York Men Lead Move.

The New York strikers voted Thursday to accept the company's offer, conditional upon similar action being taken by the men across the river. The agreement provides the men shall be taken back without discrimination except for acts of violence during the strike.

The agreement between the companies and their employees does not affect the strikers of chauffeurs, cab drivers and drivers for department stores, who at first quit work in sympathy with the express company employees and later presented demands of their own. Secretary Foster, of the International Brotherhood of Teamsters, declared tonight that the fight of the chauffeurs and cab drivers would continue until recognition of their union in work.

Negotiations between striking store drivers and their employers are under way and it is hoped a settlement will be effected soon.

Van and Contents Stolen.

The theft of an express van containing merchandise worth \$50,000 and several attacks on drivers by mob this afternoon gave the police the hardest work they have had for several days in connection with the strike.

Four strikebreakers were arrested charged with the theft of the van which belonged to the Adams Express Company.

After a conference in the Mayor's office in Jersey City this afternoon, the men's representatives said the acceptance of the company's terms to the strikers would be recommended.

YOUNG SUCCEEDS DOLLIVER

Iowa Governor Appoints Taft's Friend to Fill Vacancy.

DES MOINES, Nov. 12.—Governor Carroll today announced the appointment of Lafayette Young, editor and publisher of the Des Moines Capital, to be United States Senator, succeeding the late Senator Dolliver.

Senator Young will serve until the next legislature shall meet, January 8. It will be the duty of the legislature to elect a Senator to fill the unexpired term of the late Senator Dolliver, which will end in 1912.

Senator Young was born in Iowa in 1848 and most of his life he has devoted to the newspaper profession. Last Spring he celebrated his 20th year as owner of the Capital, one of the leading papers in the Middle West. In politics Colonel Young vigorously has supported the administration of President Taft, and he has been an active champion of Governor Carroll. He has a National reputation as an orator.

In 1900 at the Philadelphia Republican Convention he nominated Theodore Roosevelt for Vice President. He has been twice delegate-at-large to the Republican National Convention from Iowa. He accompanied President Taft on his trip to the Philippines some years ago and is a personal friend of the President.

WHEAT PRICES ADVANCING

Walla Walla Buyers Take Every Bushel That Is Offered.

WALLA WALLA, Wash., Nov. 12.—(Special.)—With local buyers taking every bushel of wheat they could get today, the wheat market went up 3 cents and between 30 and 40 carloads of grain were sold to dealers here for milling purposes. None was purchased for export at all, so far as known.

Among the lots sold was one of 7000 bushels delivered by F. A. Sykes for 63 cents. This was the best wheat and the price is the best that has been paid here in two weeks. As a result the farmers are optimistic and believe grain is on the upward path once more.

Uncertain conditions accompanying the election is believed to be the reason for the recent slump and the farmers think now that the market will recover and wheat will go back to a fair price.

BIG GOLD DREDGE READY

Seattle Men Prepare to Take Metal From Rogue River Sands.

SEATTLE, Wash., Nov. 12.—(Special.)—Encouraged by the results attained

by a dredge of small capacity after two years' operation in the Rogue River in Oregon, the Scandinavian-American Dredging Company, which is composed of a number of prominent Seattle capitalists and professional men, has decided to push the work of extracting gold from the sands of the river by installing a mammoth new dredge, which has already been constructed and is now ready to be put to work.

The Seattle organization owns six miles of ground in the Rogue River Valley, and P. P. Holdsworth, one of the members of the company, is now at Grants Pass to superintend the installation of the big new dredge. The machine is said to have a capacity of handling 30 cubic yards of gravel an hour.

The small dredge paid handsome dividends to its operators and they believe that with larger and more modern equipment the earning capacity of the Oregon holdings can be greatly increased. The gold taken from the Rogue River is fine, and the gravel carries a large amount of black sand apart from the free gold, this sand carries a considerable amount of gold.

The Scandinavian-American Company is a close corporation and has no stock for sale.

SECURITIES NOT TAKEN

SALT LAKE WOMAN TELLS SEATTLE POLICE NOT GUILTY.

Mrs. Althea Walker Accused of Taking Million Against Court's Order—Ready to Cancel Will.

SEATTLE, Wash., Nov. 12.—Mrs. Althea Walker, widow of David F. Walker, a millionaire of San Mateo County, Cal., who arrived here last Thursday after an automobile dash from Salt Lake, to be served on arrival, with a writ citing her to answer a charge of contempt of the Federal Court for the District of Utah, is staying with her daughter in this city and will return to Salt Lake in time to answer the contempt charge next Saturday.

Mrs. Walker denies that she fled from Salt Lake with securities valued at \$1,000,000. She further says she will assent to nullification of Walker's will, which left the estate to her. The will is contested by Walker's children by a former marriage, these children having been disinherited by the will.

Mrs. Walker denies the accusation of the plaintiffs in the suit that she exercised undue influence over her husband by clairvoyance, inducing him to make the will in her favor. She asserts that she offered, immediately after his death, to cancel the will and submit the estate to an equitable division by the court. This offer, she declares, the disinherited children declined and they tried to gain possession of the entire estate.

Mrs. Sarah A. Paul, daughter of Walker, contested the will and obtained an order forbidding Mrs. Walker to remove the Walker property from the jurisdiction of the Federal Court for Utah. A week ago Mrs. Walker left Salt Lake in an automobile, taking with her \$1,000,000 in securities and heading for Seattle.

Mrs. Walker made nearly all the journey to Seattle in her automobile. At Ellensburg, 127 miles from Seattle, she took a Northern Pacific train and shipped the touring car the remainder of the way. Mrs. Walker says that she brought only \$25,000 of securities with her.

"SERPENT" ENTERS EDEN

HUSBAND BLAMES ITINERANT MINISTER FOR WOES.

Seattle Judge Refuses to Grant Expense Allowance in Divorce Suit Begun by Wife.

SEATTLE, Wash., Nov. 12.—(Special.)—That a "serpent" in the guise of a man of God" entered his garden of Eden and "stole from him his best fruit," is the affidavit of a woman who today in the Superior Court before Judge Prater, by Attorney Bell, in an effort of Mrs. Mattie R. Dodge to obtain alimony and suit money on her pending divorce action. The "serpent" in Dodge's sworn statement to the court, as set forth in the Court papers, is Theodore L. Dyer, a carpenter and itinerant Methodist preacher, of Kennewick, which settlement is a part of the Garden of Eden addition to Seattle.

Dodge did not want to pay his wife's expenses in a divorce suit, first because she had deserted him, and secondly because he blamed the minister for his wife's departure from the fire-side she had managed for 30 years. A further reason was that Dodge is now suing the Methodist preacher for \$10,000 for alienation of his wife's affections.

Convinced that Mrs. Dodge left her husband and voluntarily brought the divorce action, Judge Prater refused to grant her any expenses incidental to its prosecution.

Belle Elmore Not Located.

CALGARY, Alberta, Nov. 12.—Investigation by the Royal Northwest Mounted Police shows that the truth in the story circulated from 7000, Alberta, today, that Belle Elmore, wife of Dr. Harvey H. Crippen, was there. The story, it is said, is wholly a product of the imagination.

Household Economy

How to Have the Best Cough Syrup and Save \$2, by Making It at Home.

Cough medicines, as a rule, contain a large quantity of plain syrup. If you take one pint of warm water, and stir about 2 minutes, you have as good syrup as money could buy. If you will then put 2½ ounces of pinex (fifty cents' worth) in a pint bottle, and mix with the syrup, you will have as much rough syrup as you could buy ready-made for \$2.50. It keeps perfectly.

And you will find it the best cough syrup you ever used—even in whooping cough. You can feel it take hold usually stops the most severe cough in 24 hours. It is just laxative enough, has a good tonic effect and tastes pleasant. Take a teaspoonful every one, two or three hours.

It is a splendid remedy, too, for hoarseness, asthma, chest pains, etc. Pinex is the most valuable concentrated compound of Norway white pine extract rich in gauliac and all the healing pine elements. No other preparation will work in this formula.

This recipe for making cough remedy with Pinex and Sugar Syrup is now used and priced in thousands of homes in the United States and Canada. The plan has often been imitated but never successfully.

Some of the best-known Portland druggists, such as Lane-Davis Drug Co. (distributors), and others, think so well of the above recipe that they guarantee it to give satisfaction or refund the purchase price.
