**Great Distinction in FURS** It is conceded that no one but an expert can tell the genuineness of a FUR. Hundred3 of Fur

garments are bought and sold every day by reputable merchants whose intentions are above reproach, but who really do not know Fur value-who are nearly as much in doubt when they deal with manufacturers as you are when you deal with stores. The whole Fur business is built on knowledge and honor. It is only given to experts who have studied for years really to know furs-WE ARE MANUFACTURERS.
