PLUME CASE IS APPEALED
Woman Seeks Judgment of Millinery in Higher Court.

Believing that there are on the circuit bench jurists who, as connoisseurs of feminine headgear, are far ahead of Justice of the Peace Bell, Mrs. M. E. Overstreet will appeal to the higher tribunal her suit against Mrs. George Pennington Bathurst, milliner, for \$75, alleged to be due through the loss of a fine willow plume.

After floundering for 48 hours in a slough of Parisian technicalities, Justice Bell yesterday morning gave judgment for \$25. Mrs. Bathurst had said the plume was worth only \$15.

Neither party to the suit was satisfied. A contemplated change of venue to Vancouver, Wash., where a jury of millinery experts could sit upon the case, was found impossible and the alternative of appeal to the Circuit Court was adopted.

Mrs. Overstreet alleges that she entrusted the plume to Mrs. Bathurst to be placed on a hat and it was lost. She filed suit for \$75 for the plume and \$25 for her labor in attempting to collect her dues.

WOMEN GRACEFUL DIVERS
Regular Social Swim Enjoyed by Multnomah Club Members.

The regular weekly social swim of the members of the Multnomah Amateur Athletic Club took place at the Portland Swimming Baths Friday night and the usual big-sized crowd of swimmers was on hand.

The feature of the swim was the exhibition of diving and swimming given by Miss Frances Jeffery and Miss Grace O'Neill, both of whom were competitors at the women's championship swim at Gearhart Park last Sunday. Miss Jeffery made several graceful dives from the springboard and each of them elicited applause from the spectators. Miss O'Neill quite cleverly executed maneuvers and other women gave demonstrations.

Affront for Manners Is Cause of Bold Defi

Portland Society Function Guest Pays Penalty for Disregarding Silver Tongs in Sugar Bowl.

How one woman dared to resent an offense in a dramatic, effective, but masterful way, is told in whispered tones in polite circles in Portland society. The event took place at the home of one of the so-called social leaders, who was entertaining a number of women in the afternoon in Portland Heights.

One woman, who happened to be sitting at a small table near the fireplace, disregarded the silver tongs in the sugar bowl and with perfect confidence that everything was all right, picked out with her fingers a square of sugar and dropped it into her tea.

The hostess, who was standing near, noticed the act, and in a manner that showed utter lack of tact, said to the maid: "Take that bowl of sugar out, empty it and refill for the other guests."

The woman, who overheard the remark, at once arose, took the teacup and saucer and flung them into the fire. Turning to her hostess, she calmly said: "I will replace that cup and saucer tomorrow. I must be going now," and getting her wraps, she bade the other guests "good afternoon" and departed for her home.

How to Destroy the Dandruff Germ
By a Specialist.

That the dandruff germ is responsible for nearly all the diseases in which the scalp is heir, as well as for baldness and premature gray hair, is a well-known fact, but when we realize that it is also indirectly responsible for many of the worst cases of catarrh and consumption, we appreciate the importance of any agent that will destroy its power. We are, therefore, particularly interested in the recent "dry" campaign which an eminent scientist and specialist states he has found, after repeated tests, to completely destroy the dandruff germ in from one to three applications. This prescription can be made up at home, or any druggist will put it up for you; 5 ozs. Bay Rum, 2 ozs. Lavona de Composee, 1/2 dr. Menthol Crystals. Mix thoroughly, and after standing half an hour it is ready for use. Apply night and morning, rubbing into the scalp with the finger tips. If you wish it perfumed, add half to one teaspoonful of To-Kalon Perfume, which unites perfectly with the other ingredients. This preparation is not a dye, but is unequalled for promoting a growth of new hair, and for restoring gray hair to its original color.

CAUTION: Do not apply where hair is not desired, and be sure to avoid tonics containing poisonous wood alcohol.

will preside. T. S. McDaniel will be toastmaster.

Among the speakers will be Rev. William Hiram Foulkes, D. D., president of the Anti-Saloon League; J. P. Newell, chairman of the Prohibition State Committee; D. A. Patullo, president of the Municipal Association; Virgil G. Hinshaw, of the Young Men's Protection League; the Rev. William Parsons, Rev. Clarence True Wilson, Rev. W. F. Reager, Rev. C. L. Hamilton and Rev. E. H. Mowbr.

A large attendance is expected at the gathering. Regret of Dr. Foulker de-

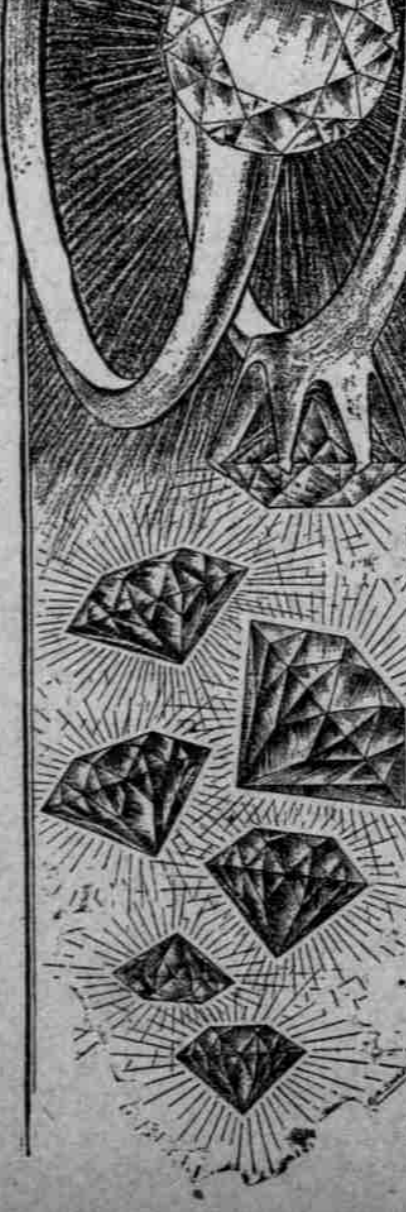

cision to leave Portland will be expressed.

Those who have not arranged for plates have been asked to telephone Mrs. Swope, state secretary of the Women's Christian Temperance Union, Goodnough building, Main 237, by Saturday noon.
