ONE-THIRD OFF ON ALL HOUSE COATS

—The success of our Suit and Coat Department Sale is based upon a concrete foundation with *Merchandise and Real Bargains*. It is not designed to unload shop-worn or left-over garments on the public. It is a clearance of *new, smart fashion-able Suits and Coats* at such radical reductions that it pays to purchase them for the service that is still to be had for the next four or five months.

—With the assurance that ever garment sold is *new* this season, we make our bid for your patronage. This lifts our sale to a higher status than the customary clearance sales you are familiar with. It is our intention that this sale shall be greater than any previous sale. To this end *our prices fall to the very lowest level*.
