

WAVERY GOLFERS PLAN CLUB HOUSE

Proposed Sale of Land Will Supply Funds for Contemplated Home.

DIRECTORS ARE ELECTED

Option on 28 1-2 Acres Is Given to Syndicate at \$125,000—Added Stock in Waverly Association Is Obtained.

The Waverly Golf Club held its annual meeting at the Hotel Portland last night. There was a representative gathering of members.

The new board of directors selected is as follows: W. L. Brewster, Morton H. Insley, T. L. Lintleum, Thomas Kerr, K. H. Koenig, William MacMaster, C. F. Swigert, I. L. Webster and J. E. Young.

The reports of President MacMaster and Secretary Rothwell were approved.

The report of President MacMaster told of the acquisition of 28 1/2 acres of additional stock in the Waverly Association, which gives the club control of 55 1/2 acres, or almost twenty per cent of the total stock issued.

The gross income of the club last year was \$29,258.99, an increase of \$1140.69 over the receipts of 1909.

The completion of this sale the club expects to begin the erection of a handsome new clubhouse immediately.

The new bridge is to be built on the site of the old bridge, and will be a concrete structure.

The club membership is now 515, an increase of 49 over 1909. Sixty new members were added to the rolls.

The increase was distinguished by the withdrawal of members removing from the city.

The programme for the "athletic night" of the Portland Social Turn Verein, which is scheduled to be produced at the Hellig Theater Monday night, January 16, is almost completed.

The various classes to be introduced in the physical exercises are drilling almost daily at Turne Halle, and Professor Genserowski is a busy individual.

The special feature of the big public drill will be the "Glow Worm" Fancy Dance Drill, in which 50 members of the women's classes of the Turn Verein will participate.

The chorus of the popular song will be rendered by one of the women who will be the "Glow Worm" in the musical.

Another feature planned by the Turn Verein is the flower garden dance to be presented by the Women's Senior class.

Probably equally as attractive as the two numbers mentioned and one which undoubtedly will attract the general interest of the public will be the athletic drill, of which Professor Genserowski calls his "Babies' Class."

The girls' classes, comprising children between 6 to 11 years of age, will also perform on gymnasium apparatus for the benefit of the patrons of the exhibition.

The programme is said to be the most elaborate athletic exhibit of its kind ever attempted in Portland.

The proceeds of this entertainment go toward defraying the expenses of a representative team of men, women, boys and girls to be sent to the big Pacific Coast Turnbund to be held at Los Angeles in the summer.

SAN FRANCISCO LAD WOULD GET MATCH WITH JOCKEY BENNETT.

Jimmy Regan, of San Francisco, former ex-champion of the world, is in Portland looking for a match with "Jockey" Bennett, or any other lad in his division.

Bennett announces that he is willing to meet Regan and it is probable that a match will be arranged to take place either at Vancouver or The Dalles about February 1.

TURNERS ARE BUSY

Programme for "Athletic Night" Completed.

WOMAN'S PYRAMID IS PLAN

Professor Genserowski, Physical Instructor of Portland Social Turn Verein, Promises Rare Treat at the Hellig Theater.

OLDFIELD'S TIME UNBEATEN

De Palma and Wilcox, However, Do Fast Driving.

LOS ANGELES, Jan. 14.—Remarkable time was made today by Ralph de Palma and Hal Wilcox at the Playa del Rey motorrome in an attempt upon Barney Oldfield's mile record of 35 3-5 seconds.

De Palma won the 35-mile stripped chassis contest in 19:59 4-5, and the 19-mile stripped chassis race in 7:23 2-5.

The races scheduled for tomorrow were postponed on account of inclement weather.

OVER 1000 BIRDS TO SHOW

Walla Walla Poultry Association Has Exhibition This Week.

WALLA WALLA, Wash., Jan. 14.—(Special.)—More than 1000 birds are entered in the 11th annual show of the Walla Walla Poultry Association, which is to be held here all next week.

The show will be the largest ever held in the city for the display of the fancy poultry.

In addition to cash prizes and merchandise offered by local merchants, 20 silver cups are to be given for first in the various classes.

The show is being held at the Collier, of Tacoma, and Dixon, of Oregon City.

Taft Accepts New Job.

NEW YORK, Jan. 14.—James E. Sullivan, secretary of the American Olympic Games committee, announces that President Taft has accepted the post of honorary president of the American committee.

The closed paper chase scheduled to have been run by the members of the Portland Hunt Club yesterday was postponed until next Saturday.

TEN-PIN KNIGHT BOWLING HIGHER

Excelsiors Lead in Big Four and Chesterfields in City League.

LEAP HOLDS HIGH PLACE

Several New Men Enter 180 Average Class in City League During Week—Big Four Leader Rolling 197 as Average.

During the past week the ten-pin knights kept up their averages in the most approved manner, and the leading teams of the two leagues contesting for superiority maintained their positions at the top in both races.

The Chesterfields, leaders of the City League, however, are being closely pressed by the B. O. Case team. The Chesterfields maintained the lead because the Case team and the Neustadters fell before the Sichel Monroes in the games played last week.

Several new men entered the 180 average class in the City League last week, while Clark, Arsenault, McManamy, Swinney, Raymond and Henry continued to roll high games and maintained their high averages.

The Big Four league Leap maintained his top position with the high average of the alleys of 197. Casey, Dreyer and Stanchfield are going good and may surp the honors at any time.

The averages of the bowlers in the two leagues are as follows: In the Big Four league Leap maintained his top position with the high average of the alleys of 197.

Clark, Arsenault, McManamy, Swinney, Raymond and Henry continued to roll high games and maintained their high averages.

PORTLAND BASEBALL PLAYER GETS HANDSOME TROPHY FOR BOWLING PERFECT SCORE AT TENPINS.

W. Cranston and Miss Lowenberg will be the heroes. The start will be from Vancouver avenue and Portland boulevard.

WASHINGTON WINS 4-1

FIRST INTERSCHOLASTIC SOCCER GAME INTERESTING.

Portland Academy Goes Down to Defeat After Hard Struggle in Contest for Cup.

In spite of a cold wind that cut like a knife and a field that was slippery from frozen snow, the first interscholastic game of soccer football ever seen in Oregon drew an interested audience yesterday afternoon to the football grounds at Williams avenue and Stanton street, where Washington High defeated Portland Academy by four goals to one, in a series of games for the George J. Cameron silver cup.

District Attorney Cameron kicked off, and Portland Academy, playing downhill, gave a fine exhibition of team work in good football, excelled in placing the ball, and finally booted one under the net past Toews, and drawing first blood for Portland Academy.

Following the score, Washington gradually wore down its lighter opponents. At the change of halves, when Washington began to play down the slope, their system of play soon told, and Gordon, their speedy center-forward, scored three goals, and Adams one. After this, Washington's goal was twice in danger, but Toews, McKenife and Brown relieved.

Both teams showed that they have caught the soccer football germ, their showing yesterday giving them courage in waiting the new game in such a short time. The spectators were enthusiastic over what they saw, and each team had its bunch of rooters.

The Washington-Portland Academy game was the second time Montezano has defeated Satsop this season.

Clark and Pye Win Bicycle Race.

BUFFALO, N. Y., Jan. 14.—Clark and Pye won the six-day bicycle race today. The final score was:

Clarke-Pye, 191:7; Behr-Goulette, 121:7; Lawson-Root, 121:7; Weyler-Mitten, 121:6; Walthour-Walker, 121:6; Lawrence-Drobach, 121:6; Hill-Fogier, 121:5; Galvin-West, 121:5; Krebs-Thomas, 121:1.

TRAP-SHOOTER DEFENDS TITLE.

CHICAGO, Jan. 14.—W. R. Crosby, of O'Fallon, Ill., retained his title as world's champion trap shooter here today when he defeated Lester German, of Aberdeen, Md., the former National League pitcher, in a dual match 131 to 115. Crosby and German shot at clay targets from unknown angles.

IRON FROM ORE-DUST.

Christian Herald.

The Carnegie Steel Corporation, of the United States Steel Corporation, has been working for two years on a plan to utilize the ore dust from furnaces and machinery. The other day it succeeded in its experiment in making the first briquette from the ore dust. Millions of dollars worth of ore dust has been wasted which will now be converted into usable pig iron.

Fifty-eight men are already employed in the first plant for making briquettes, and new plants will be established as the demands may require. The wastes of many branches of industry have been

OUTLAW SCHOOLS BACK IN LEAGUE

Interscholastic Resumes Relations With Vancouver and Columbia.

BROADER FIELD ASSURED

Year—Big Indoor Track Meet Plans Will Be Pushed.

At a special meeting of the Interscholastic League held last Thursday it was decided to reorganize that association and to resume relations with Columbia University and Vancouver High School, at least until the end of the present school year.

The resumption of relations between Columbia University and the Interscholastic League was brought about through the good offices of I. N. Fleischer, one of the school directors of District No. 1, who called a meeting between the officials of Columbia University and the Interscholastic League.

It was decided that it would be an injustice to Columbia University to exclude that organization from participating in the regular league games and the decision to disband the limited league and reorganize the former broader organization was unanimous.

The action of the league means that Columbia University and Vancouver High School will form a part of all interscholastic contests scheduled for the Spring and early Summer, as well as for the soccer and basketball seasons now in process of being scheduled.

It also means that Columbia University will go ahead with the plans for the annual indoor track meet held in April of each year at the big gymnasium of that institution and that all of the interscholastic sports organizations will be represented at this big meet, which is the forerunner of track athletics in the Northwest each year.

HUBBY TOO APPRECIATIVE

Woman Seeks Divorce Because Spouse Was Prodigious in Praise.

KANSAS CITY, Jan. 14.—(Special.)—Mrs. Lillie B. Boswell has sued her husband for divorce because he praised her beauty too much. Many a married woman has a passing fancy for an unattractive husband—one who doesn't tell her any more that he loves her or that her hat or gown becomes her or that she is pretty.

Mrs. Boswell told the judge that her husband had said that she was "making eyes" at other men.

MATANZAS IS JONAH SHIP

Crew Thrice Saved From Starving. Bark Near Capes, Blown to Sea.

PHILADELPHIA, Jan. 14.—For the fourth time since she left Brunswick, Ga., 46 days ago, for Philadelphia, the lumber-laden bark Matanzas, whose crew thrice was saved from starving by a passing vessel supplying provisions, was within a few miles of the Delaware Capes on Monday, only to be blown off to sea again by storms.

In a passing vessel supplying provisions, the bark Matanzas is being referred to as the "Flying Dutchman" of the North Atlantic because of her many futile attempts to make her way into the entrance of the capes.

GOOD TIME COST \$40,000.

CHICAGO, Jan. 14.—After he had spent \$40,000 in two months having a good time in Chicago, Max Levy, fifty-first street and Prairie avenue, was arrested yesterday because he failed to pay a \$25 tax bill. He had \$2000 in his pocket at the time and said he had a regular income from Germany. Levy, who claims he "forgot" to pay the bill, is said to have given a woman a present of a \$1000 bill.

BRAND NEW PIANOS FOR 50 CENTS ON THE DOLLAR

We are piano manufacturers, not retail dealers, nor never before retail dealers—here or elsewhere—but through a foolish billing error we shipped five carloads of pianos to Portland not intended for here, and which placed us in the awkward position of having to either ship them back to our factory at Fall River, Mass., at a loss of over \$3000 in freight, or get a store here and sacrifice them at retail. We chose the latter course as the least expensive, or hoping to show the least loss.

We have placed these pianos on sale at their factory wholesale price, just exactly what dealers pay for the same styles at our factory by the carload—which makes them less than 50 cents on the dollar of their regular retail prices, according to style and design.

The retail price of our pianos range from \$300 for the medium size and plain-cased one, to \$600 for the finest and most elaborate exhibition concert grand upright—one of the finest and most beautiful pianos built in any factory in any country of the world.

Table with columns for positions (Catchers, Pitchers, First base, Second base, Third base, Shortstop, Outfielders) and rows for teams (Portland, Oakland, San Francisco, Vernon, Los Angeles, Sacramento).

Asterisk in front of the names of different players means that new talent to be secured from major league clubs is desired to supplant them in the regular line-ups, or that the players so marked are either being tried out or have announced their intention to retire, which latter is the case of Curtis Barnard, of the Los Angeles team.
