ALBANY COLLEGE CHOOSES WELL-KNOWN DEBATER AS REPRESENTATIVE IN STATE ORATORICAL CONTEST.

ALBANY, Or., Feb. 18.—(Special)—As the result of amity on the part of Greeks toward American workmen, who displaced them as section hands on the Albany section of the Corvallis & Eastern Railroad, a shooting affray occurred at 12:20 o'clock today at Niagara, in which John Webb, an American, shot and seriously wounded George Lapias, a Greek, and also fired on his brother, Lem Lapias.

Racial War Long Standing.

The shooting today is the outgrowth of racial trouble here four months ago. Webb went to work on the section here with a band of Greeks, who began harassing him trouble. Because of their quarrelsomeness toward Webb, Foreman A. M. Fair discharged all the Greeks and hired Americans.

It is said by local railroad men that George Lapias and his brother Lem have been seen lying in wait for Webb near his home at different times. About a week ago the Lapias brothers and other Greeks secured work at a Curvallis & Eastern rock quarry near Niagara, 25 miles east of Albany.

Webb 'Shot to Save Self.'

Webb talked freely of the shooting when he reached here tonight, saying he believed the Greek was trying to carry out threats to kill him and shot to save himself. Lapias is a powerfully built man and Webb of medium build. No weapons were found on the Greek when he fell.

How to Make a Pint of the Best Cough Syrup and Save \$2.00

This recipe for home-made cough remedy is used and prized in thousands of homes in the United States and Canada. It costs little, but it is splendid. Even whooping cough yields to it quickly.
Mix a pint of granulated sugar and a pint of warm water and stir for 2 minutes. Put 25 ounces of Pinex (50 cents worth) in a pint bottle and add the Sugar Syrup. This makes more of a better cough syrup than you could buy ready-made for \$2.50. Take a teaspoonful every one, two or three hours.
This simple remedy will usually stop a whooping cough in less than 24 hours. It tones up the appetite, has a pleasant taste and is slightly laxative which is helpful. You will also find it splendid for bronchial troubles, lung and throat affections, asthma, etc.
This Pinex and Sugar Syrup recipe is so popular that it is often imitated, though never successfully. In trying it use only the pure, genuine Pinex, which contains Pinisol and all the natural healing elements of Norwegian white pine extract, in concentrated compound.
Some of the best-known Portland druggists, such as Lauer-Davis Drug Co. (distributors) and others, think so well of the above recipe that they guarantee it to give satisfaction or a full refund at the purchase price.
