**A Few Women's and Misses' Dresses**

at Lowered Prices That Command Attention

**\$12.50** for Dresses That Were \$21.50, \$25, \$27.50 and \$30

Just thirty of them in this special group and they should find favor with as many women even at their former prices. Materials shown in them are fancy panamas, pin stripe mesalines, plain and check serges and polka dot challis. Splendid frocks for afternoon or street wear; some of them plain tailored, others with smart touches of tucked silk or cleverly trimmed with fancy braid and buttons. Some with lace yokes. Skirts are plain gored, and in the plaited and narrowed effects. In colors only.

**House Dresses**

at \$2.95, \$3.45 and \$3.95

Some of them so carefully fashioned and made that they are most appropriate for street wear.

In plain and figured percales in dark and medium shades and piped with contrasting colors.

Models shown at these prices that button both down front and back.

**Petticoat Special**

**\$3.98** for \$5.95, \$6.50 Silk Petticoats

At the former price are all-silk Petticoats with wide flounce of small pin tucks and narrow silk dust ruffle. Good quality taffeta, **\$3.98.**

At the latter price are Petticoats of fine quality taffeta, with wide flounce and narrow plaited ruffle and stitched bands. Heatherbloom dust ruffle, **\$3.98.**

**A Good Corset Is Not Enough**

The contour of your figure and the fit of your gown above the corset requires a Brassiere.

The De Bevoise is the most stylish and comfortable Brassiere made.

Gives your figure correct lines where the corset itself has no effect.

Indispensable with this season's low-bust corsets.

The perfect figure-former and dress foundation.

Styles for every kind of figure—stout, medium and slender. Made of fine batiste, profusely trimmed. Priced from 50c up.

**Service in Carpets and Rugs**

People who have floors to cover never fail to find here the assortment that assures satisfaction; and prices that denote fairness. And back of this is a service in workmanship that is all important to the homefurnisher—that has made this Portland's Foremost Carpet and Rug Store.

A few floor-covering notes that should interest:

**French Wilton** is the last word in Wilton weaves. This fabric has withstood the competition of all the subsequent makes. It stands today as it did when first made—in a class by itself. So much for its quality.

The patterns and colorings are equally desirable and while they have been widely copied by other manufacturers, no other makes produce the same elegant effects.

Rugs in all sizes, from 27x54 in. to 11 ft. 3 in. by 15 ft. 6 in.

**Bundhar Wilton.** "Durable as Iron" has long and appropriately been applied to this fabric and those who have used them never hesitate in recommending their wearing quality.

A splendid assortment of the latest patterns carried in stock.

**Velvet Carpets** in the moresque greens and moresque tans, with or without borders. Refined and practical floor coverings at low cost. **\$1.50** yard, sewed, laid and lined.

**Axminster Rugs**—the complete range of standard room sizes—**\$20 to \$50.**

**Velvet Rugs** in the 9x12 ft. size—from **\$25 to \$35.**

English Corticine—Differing from Linoleum not only in the treatment of the oil, but of more attractive appearance. Those contemplating selection of hard-surface floor coverings should see these.
