

Credit Is as Free as the Air at "Powers" Removal Sale Prices!

The time for our removal is drawing nigh—our new store is almost ready. Enormous as the selling has been there's still a great amount of goods on hand. Strenuous price cutting has been resorted to in order to sell out as completely as possible. Part of the result of the "price cutters" labors is shown in the items below—they strike the key note. Come in then and make your selections and remember you're welcome to all the credit you want at these prices. There's no risk, no danger, for everything is marked in plain figures—a child can buy in perfect safety at Powers—now and all the time. Come at once while selections are good
