## Special Sale of Steel Ranges

By special arrangements we are able to offer you special inducements if you order your Steel Range NOW

### One Dollar Will Place a Fine Steel Range in Your Kitchen

And in addition we are authorized to present you with a fine 50-piece set of Dishes absolutely free of all cost to you; an advertising proposition inaugurated by the manufacturers of the steel range.

**Prices From \$40 to \$55 \$1 Down, \$1 a Week**

for the celebrated quick-baking, fifteen-year guarantee

### Eclipse Range

The "Eclipse" Range is not for a moment to be compared with the cheap, asbestos-lined, single-wall ranges offered in the Portland market. The "Eclipse" has two walls of planished, cold-rolled steel and a middle (third) wall of thick asbestos board which gives it life-long stability and prevents heat radiation. The heat is conserved and confined to the oven. That's why an "Eclipse" is popular during the Summer months—it doesn't convert the kitchen into a furnace. We have sold thousands of the "Eclipse" in Portland, and can point to long lists of people who praise it as a BAKER AND FUEL-SAVER.

Pay One Dollar Down; Then One Dollar a Week

### Refrigerators Will Soon Be Needed

It does not pay to purchase an inferior article. Choose one that has been known and used the country over for 30 years and more.

### The "Alaska"

Built to preserve your food perfectly at little cost of ice. There are none "just as good." Investigate before you order. We have them from \$10 up.

## Gevurtz Rug Specials

## New Method Gas Ranges

One of the greatest inventions of the century—the "New Method" Gas Range. It saves you many a dollar in your gas bill. This is done through their patent burner. It is highly important to your pocketbook that you investigate this feature.

Almost any style of Gas Range you can mention is now in stock. Two full carloads received the past week. We quote a special Four-Hole Gas \$13.75 Range for... \$13.75

Made like the cut, and fitted with the celebrated "New Method" burners, which are guaranteed to burn one-fourth less gas than other kinds. This range has a baking oven and four burners on top; shelf at either side.
