A Word to Our Patrons Regarding Deliveries

Owing to the congestion in our Shipping and Delivery Departments, brought about by the enormous response to our Closing-Out Sale, we wish to assure all whose purchases have not yet been delivered that we are doing our very best in disposing of the thousands of articles that have been sold since the sale commenced. All we ask is a little patience on your part and we assure you that through our greatly increased delivery service it will not be very long before your selections are delivered. Then, too, we are endeavoring to deliver goods in the same satisfactory way as heretofore.

Expressing our gratefulness for your patronage, and the patience shown regarding delivery, we trust that upon our retirement from business in Portland the kindly feeling shown toward us in the past will still be ours.
