All Cars Transfer to "Powers" New Store at Third and Yamhill!

And a great many cars come directly to our doors! It's easy, therefore, to reach our new store, and we want you to come very much, indeed! There are many reasons why you should visit Powers' new store. In the first place, you'll find it to be the finest, brightest, lightest and most up to date Home Furnishing Establishment in the Northwest. In the second place, you'll find an absolutely new stock from the basement up to the roof—a stock so varied and so large that every possible Furniture, Floor Covering and Drapery need can be filled to your entire satisfaction. In the third place, you will find a horizontal lowering of all prices—a thing brought about by increased and improved facilities. In the fourth place, you'll find here the home of "Dig-nified Credit"—a credit system where all the objectionable features of the old style installment house are obliterated—a credit system that enables you to completely furnish your home with only a small cash payment, the balance to be paid in convenient monthly payments—a credit system that is nothing more nor less than an old-fashioned charge account.
