# Thousands of Prudent Homefurnishers Are Profiting by This Greatest of All Events—Our Closing-Out Sale

We are now drawing heavily on our warehouse stocks to keep the assortment interesting. Every day brings additional bargains in the way of new goods that are coming in and being placed on our floors. Every department is teeming with opportunities the like of which the people of Portland have never known or are likely to see in many years. Remember, just eight weeks more of this sale, and every article must be disposed of by that time. Prices denote the sacrifice we are making of this \$500,000 stock of dependable merchandise

Special announcement. For the convenience of our customers and to relieve the congestion of our sixth floor, we have moved our drapery, upholstery and bedding departments to the first floor, east section. See News of Apparel Bargains on Opposite Page
