McCredie's Sluggers Pound Out Another Victory With Seaton Pitching.

#### BEN. HUNT KNOCKED OUT

Sheeban and Ryan Are Bright Stars in Sacramento Ball Firmament and Carry Off Honors With Ease-One Game Today.

SACRAMENTO, Cal., May 20 .- (Special.)—The Beavers continued their walkover today, beating the Senators

to 2. McCredie's boys slugged hard and at opportune times. They knocked big Hen Hunt out of the box in the sixth, Hen Hunt out of the box in the sixth, but Jack Fitzgeraid's offerings were no improvement. He was pointed as freely as Hunt, and was given almost as weak support. Tommy Seaton had his teammates behind him, Sheeban and Hyan being the particular stars. Ryan gathered in almost impossible files, and Sheehan took hard chances.

Sacramento began at a good clip by annexing two runs in the third by Lewis' double, a walk and Shtun's single into right, on the hit-and-run play. The Beavers coppered in the fifth on Sheehan's triple and Peckhipaugh's sacrifice fly to Lewis.

#### Sixth Inning "Awful."

In the sixth the game began getting like yesterday's, errors by Shinn let Seaton and Hodgers home. Seaton stoke second, and when Mahoney muffed Rysecond, and when Mahoney muffed Ryan's fly, Seaton scored. Krussper's single to center brought Rodgers in and
flunt out of the box. Rapps found Fitz
immediately, scoring Ryas with a
safety to center. Sheeban's fly to Mahuney let Krussper home, and when
Peckinpaugh doubled to right Rapps
crossed the pan.

The only Pertland error was stretched
for all it was worth in the last of the
sixth, when Ofkourke cantered around
to second, while Rapps was chasing the
ball he let go through him.

A passed ball sdvanced O'Rourke to
third. After the second out was made,
Dannig walked and pulled the doublesized with his bold captain, who registered while the ball was shooting across
the diamond.

### Krueger Makes Triple.

Krueger opened the eighth with a triple, the couldn't score on Rapps' fly to Lewis, but walted until Sheehan and Peckinpaugh had walked and then was Peckinpangh had walked and then was pathfinder for Sheehan on a trip home when Murray singled over short. Mur-ray bent a poor throw from Thomas on a run to second, which let Peckinpaugh score the final tally. Only one game will be played tomor-row, both teams desiring to play off the

SEATTLE, Wash., May 20 .- (Special.—When Ven Greeg, Gene Krapp, "Big Six" Steen and Jess Garrett put

Portland on the baseball map last Fall by breaking the world's record for go-

been horrible to behold, at least to the fans here. From being firmly estab-lished in second place the team has slipped back and back until now

it has lost sight entirely of the Spo-kano Indiana, despite the fact that Cohn's tribe has falled to advance in the Portland series.

Universal disgust is expressed by

the fans in the action of Umpire Long-

of Northwestern League baseball are held to require the game to be played at any cost and it is held that Long-

#### KRUEGER MAKES RECORD

Portland Player, Though Starting Season Poorly, Is Now Hitting at Good Clip - Mundorff Is Also Another Instance.

Instances where pugilists "come back" after being relegated to the second-rate division are rare, indeed, but this rule cannot be said to apply to baseball players. At least not with any degree of certainty, for diamond heroes often have a slump which sometimes lasts long enough to warrant the belief that they have "gone back," and then, after being relegated to the minors, they regain

During the early part of this season a Portland player, Artie Krueger, started poorly. His poor hitting also seemed to affect his fielding. But of all the "come backs" in the game today his showing recently has been most pleasing, for the big Dutchman has been hitting the bail lke a demon in the recent go like a demon in the recent games.
Another Portland player who has "come back" is Howard Mundorff. "Mundy" had been a member of the San Francisco club for two years previous to joining Nick Williams' Northwestern aggregation, and ever since the opening of the season he has been hitting at a wonderful gait and is standing well up among the leading batsmen of the cir-

heir major careers were but a speculative proposition several months ago, are "Fing" Bodie, "Happy Bill" Hogan, two ex-Coast Leaguers, and "Bugs" Raymond, the New York Giants' eccentric pitcher.

Hogan did not stick with the Philadel-Athletics, for he did not show phia Athietics, for he did not show speed enough to displace any of the outer gardeners on the world's champion club, so he has been turned over to St. Louis in the same league, and is playing a fine game. "Ping" Bodie, the ex-Seal, is performing great work for the Chicago White Sox, and has given as much extensity to that agreemation as has Ivan strength to that aggregation as has Ivan Olson to the Cleveland Club.

### QUESTIONS AND ANSWERS

GERVAIS, Or., May 20.—(To the Sporting Editor.)—In a game last Sunday the score was 7 to 6 in favor of the visiting team when the home team came to hat in the last half of the seventh inning. Two men were on the bases and when the umpire called a ball on the batsman, the visiting team became angry and threw the ball away, which allowed both runners to score making the score 8 to 7 in favor of the home club. Do these runs count?

A SUBSCRIBER. Answer-Runs most assuredly count

An unpire's judgment on balls and strikes is final in any game, and, un-less umpire called time during quarrel over decision, runs should be scored to team making them.

Metolius, Or., May 20.—Was San Fran-isco ever a member of the American of Atlonal League? A METOLIUS MAN. Sational League? Answer - No. You have evidently confused the Pacific National League, of which San Francisco was a member in 1903, with the major league. The Paolific National League was the ex-panded Pacific Northwestern League of that year, which invaded San Francisco and Los Angeles in the effort to break the Pacific Coast League, then an outlaw organization.

May 20,-(Sporting Editor, Oregonian.) What is the largest number of batsmer struck out in one game by Harry Sutor, o the San Francisco club this season of 1911 Answer - Sutor fanned 14 Vernon batemen in one of the games he pitched against that club in the recent sgries at Los Angeles.

Junction City, Or., May 20.—Please answer the following through the sporting column: A is on first base. B lays down a bunt along first hass line. In running to first be accidentally kicks ball foul. A is safe on second. Umpire rules H out and permits A to hold second. What rule covers and is decision correct?

It was one of those days dressed up in holiday clothes. The soft, warm sunshine breathed baseball into both teams, Williams' men getting the benefit of the draught and winning by inside baseball in the eighth inning. Mundorff, first up, smacked a double to the right field fence, was sacrificed to third by Casey and sent home on a beautiful squeeze bunt by Williams.

It was an air-tight pitchers' duel from the tap of the gong, with the honors slightly in Bloomfield's favor. Several times Portland had men on bases, but the necessary clout was not forth-coming. Captain Ostdiek switched Zim-merman up to the third position in an effort to bolster the batting record, but it failed to take. Mundorff came through with his usual duet of bingles. "Mundorff was out at second and should never have scored," declares Captain Ostdiek. If Vancouver beats Spokane three straight Brown's bunch will be tied for first place, says the bug. Holm set the crowd wild by knocking down a liner off Williams' bat, leaping

after the sphere and throwing Nick out from a sitting posture. Mundorff made a sensational catch of Frick's foul fly in the seventh, landing it about ten feet to port of the home plate. It should have been Bradley's ball.

In the fatal eighth with Mundorff third and one out Holm showed nerve by deliberately walking vall so as to play for a double Stovall so as with Williams.
