WEDDINGS.

Adams-Cudlipp.

Wedding bells have sounded many times in the Grace Methodist parsonage, but never so sweetly or with as much interest to the members of Grace Church as when on last Tuesday evening Mabel Beatrice, the only daughter of Rev. J. H. and Mrs. Cudlipp, was united in marriage to Edmond Riley Adams, of Kansas City. The ceremony was performed at 8 o'clock by Dr. Benjamin Young, of the Taylor-street Methodist Church, an old friend of Dr. Cudlipp before his coming to this city.

Simplicity itself characterized the ceremony, which was read in the presence of only the immediate family, there being no attendants. Invitations for a reception to be held at 9 o'clock called together at that hour a happy company of friends which completely filled the house. In the screened hallway, members of Christensen's orchestra furnished music during the evening. The bride, a petite brunette, looked very charming in her wedding gown of meteor crepe cut on simple lines, adorned with a handsome garniture of silver and pearl beads. The wedding veil was held in place with a spray of orange blossoms. Trailing vines of green and white were used for decorations throughout the house. White carnations, with candelabra, formed the table decorations in the dining-room.

Serving at the table during the evening were Miss Meta Buehner and Miss Hazel Ferris and Miss Margaretta Buehner and Miss Anna Clary, assisted by Miss Irene Burns, Helen Haseltine, Ruth Ralston, Beatrice Lilly and Hazel Riggs. Acting in other capacities during the evening were Mrs. J. A. Child, Mrs. J. L. Hartman, Mrs. E. C. Cornell and Miss Ruth Drake.

Since the informal announcement only a short time ago of her approaching marriage, the bride has been the recipient of much attention at the hands of her friends, shower lunches and other forms of entertainment having been given in her honor. Mr. Adams is the son of an Episcopal clergyman, and is the traveling representative of a cutlery firm in New York City, and for the present Mrs. Adams will travel with him.

Leadbetter-Ames.

Henry Leadbetter and Miss Mary Ames were united in marriage at the home of the bride's father, Dr. Ames, 666 Mississippi avenue, Wednesday, Rev. C. L. Hamilton, of the Central Methodist Church, officiated. The bride is a well-known young woman of this city. Mr. and Mrs. Leadbetter have gone to Corvallis to make their home.

Catlow-Bell.

The wedding of Miss Winifred Edna Bell and Charles Catlow took place at the home of the bride's parents, Mr. and Mrs. A. H. Bell, 387 San Rafael street, Sunday afternoon, May 14. Rev. Henry Marcotte pronounced the service. Miss Ethel Smith, a cousin, was bridesmaid and W. O. Walker was best man. A bell of white roses was suspended over the heads of the bridal party and the bride wore silk of a delicate blue, carrying white bride's roses. After the ceremony a luncheon was served before the departure of Mr. and Mrs. Catlow for Eastern Oregon where they are passing their honeymoon at the home of the bridegroom's parents. After June, however, they will occupy their new home on Fiftieth avenue, Woodstock. The guests at the wedding were: Mr. and Mrs. Leander Lewis, Mrs. Claud Cheshire, Mr. and Mrs. H. A. Lewis, Dee Lewis, Clayton Lewis, Mrs. and Mrs. Harland Lewis, Mrs. Rachel Lewis, Mr. and Mrs. J. W. Wills, Ollvette Wills, Mr. and Mrs. Albert

Marjorie Hamilton, known throughout America as the famous "Calendar Girl," is now recognized as the greatest known expert in the art of fat reduction, and she practices only simple, natural methods in reducing double chin and excess fat.

She is acknowledged as the highest-priced exclusive photographic model for art calendars in America, demanding one hundred dollars per hour from noted "Calendar Houses" for her time. Realizing that an abundance of superfluous flesh would no longer keep her in mad demand by photographic artists, she set about to reduce her increasing weight by a marvelously simple method of her own.

No drugs or harmful massaging; no sweating; no painful physical culture exercises; no starvation diet, and none of the old, ridiculous methods are used in her splendid new treatment.

The free book of this Queen of Beauty explains to men and women how by her natural, harmless treatment they may reduce ponderous weight at the rate of one pound, or more daily. How any man or woman may banish double chin quickly and regain new health and vigor.

Readers will be astonished to learn for the first time of a really new, marvelous method of FAT REDUCTION, as referred to in this splendid book, and now offered free as an advertisement to readers for a short time.

You will be amazed to know how rapidly you may reduce your double chin and excess fat in a few days by following her instructions. All fat men and women who desire to make themselves more attractive should secure this wonderful book at once and improve their figure quickly by her methods.

This book is written in a fascinating style. It explains how this famous photographic model, who is the raging "Calendar Girl" of the present time, reduced her own weight THIRTY-SEVEN POUNDS in FIVE WEEKS by purely natural methods, and without resorting to drugs, starvation diet, external stuff to rub on the body or harmful exercises.

Write for the book at once, and learn the anguish she felt when her girlish beauty started to develop to abnormal proportions. Read of the terrors she felt when the monster fat made her realize she must give up her profession and fade into oblivion.

Learn how she experimented, and with determination and grit conquered fat; learn of these things so you may improve your own form and destroy your fat so it will not be longer necessary for you to subject yourself to the awful dangers of excessive flesh.

Miss Hamilton's health was at one time miserable on account of burdensome flesh, which had developed rapidly. She was weak and tired all the time; unable to sleep nights or digest her food; she repeatedly used all treatments and methods of flesh reduction known to medical science. Violent exercises, starvation diets and worthless drugs, also external stuff to rub on her body, were all of no benefit. So, realizing that if she desired to longer continue as the star in her profession, and be longer sought after by art calendar houses of America and Europe, she must do something quick to prevent the enemy fat from destroying her beauty, she studied on an entirely original and different plan, and after repeated efforts and many failures made what she considers a wonderful scientific discovery, by means of which she has perfected a treatment which actually reduces the weight in a remarkably short time, and adds to the strength and health of the individual with every pound taken off. Miss Hamilton also made a great study of the system employed by the Japanese, who remain through life slender and vigorous, and it is said she has a treatment similar to theirs.

This woman's remarkable success has amazed her friends, who stand aghast in astonishment, marveling at this young woman's wondrous skill. Her method is so simple, yet it is looked upon with curiosity and admiration. By this system any person may reduce their flesh in the privacy of their own homes without medical assistance, at the rate of one pound or more daily.

With her marvelous methods before you, any man or woman should make a wonderful improvement in his or her appearance quickly. You should quickly banish your double chin and excess fat as many others can testify to having done, and improve your health rapidly. It is simply astonishing the number of men and women who write in, regarding the wonderful results of her new process for banishing fat.

Mrs. H., of California, writes in and says:

FREE TO ALL READERS

TWO PHOTOS OF MARJORIE HAMILTON, THE FAMOUS "CALENDAR GIRL," SHOWING HER REDUCTION OF 37 LBS. IN FIVE WEEKS.

"The first week after using your treatment and new system I lost three pounds; that was encouraging. But the second week I lost eight and one-half pounds more. So delighted was I that I kept right on using it, until at the end of the fifth week I had lost thirty-two pounds, and felt like a new woman. My health has improved, my headaches have entirely left me, and what delights me most is that while using your simple method I **kept right on eating everything I craved.** I consider your system the only perfect one known for a speedy and sure reduction of flesh."

Much interest is shown in this new remarkable method by letters from distinguished physicians, which proves that even doctors are obliged to give up drugs and acknowledge this woman's method superior to all others.

The distinguished physician, Dr. Walter Robinson, writes in and says:

"It is with much pleasure that I offer congratulations upon this splendid method of treatment for the reduction of superfluous flesh and double chin. Nothing, in my opinion, could be more effective. This method is the only scientific method of treatment endorsed by the medical profession. I consider your method of treatment, not only original, but remarkably clever, and the only truly scientific way to reduce superfluous flesh and double chin harmlessly and quickly."

Enthusiastic letters as the above should be indisputable evidence of the remarkable merits of this treatment. The delightful letters from satisfied users which are being received from fat men and women are regarded as strictly confidential. Miss Hamilton considering it a great breach of confidence to permit publication of the addresses of those kind enough to express their heartfelt gratitude to her.

The most astonishing part of this fat-reducing method is that it does not create wrinkles or leave the skin flabby, but, on the contrary, it has a tendency to tighten flesh; something not usually attempted by other methods.

All readers who wish to give up harmful diet, starvation methods; who wish to abandon the harmful internal and external remedies and painful exercises, should write for a copy of her latest work, so that they may learn how it is possible to at once begin the reduction of burdensome flesh.

Simply cut out the coupon below and mail it at once, as explained in coupon, and DON'T SEND ANY MONEY, because particulars are entirely free, as this charming "Calendar Girl" is so grateful for her own health, brought about by her simple methods, that she is doing her utmost to benefit men and women in need of a perfect home treatment which will benefit those burdened with superfluous flesh, and thereby make life really worth while.
