Less Than a Month of Our Closing-Out Sale Remains

Just 28 days—and then this most remarkable sale event comes to a close—an event that will long be remembered by the homefurnishers of Portland and the Northwest for its offering of great values—its sacrifice of a great and dependable stock of merchandise. And yet in the above brief space of time thousands of dollars' worth of merchandise must be disposed of. Every day sees still more liberal reductions being made in all lines and the stocks becoming smaller and smaller. 'Tis well, then, that those who are seeking to supply their home needs take advantage, and at once, for here are bargains incomparable—opportunities that are not likely to be presented in many years to come. Beginning tomorrow store opens at 8 o'clock. Store will remain closed all day Tuesday, in observance of Decoration Day. Following are a few of the thousands of bargains that await you here in every department.
