

MINARD IS MADE WIFE'S SOLE HEIR

Passage in Will Leaving Tokens to Friends Mysteriously Erased.

ESTATE IS WORTH \$10,000

Lawyer Who Files Document Unable to Explain Crossing Out of Provision Also Making Husband Executor.

CHICAGO, June 17.—(Special.)—The will of Mrs. Mattie R. Minard, whose mysterious death by poison last Sunday was investigated by Coroner Hoffman, resulting in a verdict of suicide, was filed today in the Probate Court Clerk's office. Charles W. Minard, principal of the Marquette High School of Maywood, certain features of whose mysterious absence at the time of his wife's death remain unexplained, is the sole beneficiary under the will, which disposes of an estate valued at about \$10,000.

The will was filed by the law firm of Bradley, Harper & Eheim, who were attorneys for Mrs. Minard. The will read as follows:

"I, Mattie R. Minard, being of sound mind and memory, do hereby make my last will and testament to-wit: I give and bequeath all my property, real and personal, and all money due me at the time of my death, except as hereinafter stated, to my husband, Charles W. Minard. In witness whereof, I have subscribed my name and affixed my seal this, the 20th day of June, 1911, A. D."

The following paragraph of the will, which was written in ink by Mrs. Minard, was crossed out of the will with three lines from a pen drawn lengthwise down the page:

"If it be his wish, I desire my engagement ring given to Mabel Hirschbach and my wedding ring to Mattie Cronwald, and all my property, real and personal, and all money due me at the time of my death, except as hereinafter stated, to my husband, Charles W. Minard. In witness whereof, I have subscribed my name and affixed my seal this, the 20th day of June, 1911, A. D."

Attorney Samuel A. Harper, when asked about the crossing out of the paragraph, said the will was merely presented for filing and that he did not know anything further about it.
