## OUR 1st ANNIVERSARY SALE

IN THE NEW SHOPPING DISTRICT

### THE GREATER OLDS WORTMAN & KING STORE

Tomorrow We Inaugurate "Our First Anniversary Sale" in the New Store

How better could we express our appreciation of the generous patronage of our loyal customers than to offer in return great price concessions on seasonable merchandise in all departments of this store?

ONE YEAR ago our doors swung open to an expectant public, who have demonstrated full appreciation of this store's policy for the past 60 years by extending liberal patronage to the extent that today the store is doing the business it had been calculated it would take three years to build up.

ONE YEAR ago the great stride made by this store was heralded to the world. It marked a triumph for Olds, Wortman & King, giving a stronger hold than ever upon the name of being Portland's safest and best store. The trade victories of the past year spur us on to larger undertakings.

### Advantages of The O. W. K. Store Service

Portland's largest, most liberal and safest store—easiest to get around in. Broad aisles, thoroughfares from street to street. Handy and easy staircases. Splendid elevator service. Perfect daylight on all sides in all departments, and through the center court. High ceilings and pure, fresh air, which undergoes complete change every 20 minutes. Rapid cash system; prompt delivery. Mail order and phone service for out of town folks. Plenty of room for all in Portland's largest and best store.

### Fancy Silks \$1.50 Grade 49c

At 8 A. M. tomorrow the doors will open upon this splendid showing of Fancy Silks, and throngs of eager buyers will gather at the silk counters. None will be disappointed. Pleasing patterns in plaids, stripes, scroll and Persian effects, suitable for every purpose, will be shown in silks worth \$1, \$1.25 and \$1.50, yd. 49c

### Special Notice

We hereby announce that the "Olds, Wortman & King Store" will remain under the sole management of W. P. Olds, H. C. Wortman and C. W. King. About April first an option for the purchase of this store was sold to Portland and New York men, mention of which was made in the papers at that time. The time of the option having expired, and its conditions not having been complied with, the business will remain under the ownership and personal management of Olds, Wortman & King. Mr. H. C. Wortman is now in the market directing our buying organization, which gives promise of a greater and better store than ever before. OLDS, WORTMAN & KING.
