# Gevurtz' "Eclipse" Range and Free Cabinet

**A Bargain That Must Force Your Attention**

## An Extraordinary Steel Range

This Steel Range has many superior points of merit over all others. In the first place it is famous as a **QUICK BAKER**. Ask any person who has used one. Then it has many economical and useful devices and improvements found in no other range. It is built of finest locomotive steel, cold-rolled into sheets. There are TWO walls of this steel and a center wall of asbestos board, and all three are riveted together with cone-headed rivets. It is built as well as a locomotive. Warranted for 15 years. Prices according to size oven.

**Pay \$5 Cash and \$1 a Week**

## Two Articles at Price of One

You receive TWO articles for the price of one— for the range remains the same during this sale as at any other time—no inflation of prices for sale purposes is permitted. It is really and truly an opportunity to obtain

## A \$10 Cabinet Free

This offer is made to advertise our Superior Steel Range. It will at least induce you to investigate its merits before you buy—and we know if you WILL INVESTIGATE you will buy.

This handsome Kitchen Cabinet is in the natural wood or weathered finish, just like cut; it is fitted with two flour bins, two drawers, two bread boards, in the base, and three drawers and shelving in the top.

## \$3.50 Oak Dining Chairs \$2.25

You cannot touch this chair bargain in Portland today outside of the Gevurtz Stores. Chairs are shaped like the cut, except they have saddled instead of cane seats. Made of the finest Eastern oak by one of the best chair factories in America. Chairs have full box seats, neatly clawed feet, polished panels; regular \$3.50 value—Gevurtz' special

**PRICE EACH \$2.25**

## "New Method" Gas Range Special

The "New Method" wins over all competition, if the purchaser will only take the trouble to investigate. It's the "New Method" burner that attracts and convinces the buyer who will take the trouble to investigate. The patent burner with which these Gas Ranges are supplied is constructed of polished key steel in such a manner as to burn **ONE-FOURTH LESS GAS** than the old-style castiron burners found on other ranges. We offer a fine range this week at special price.

## Look at This Range for Only \$20

No. 81—This handsome "New Method" Gas Range has four full-size burners and one simmering burner made of stamped steel, heavily enameled, enabling them to be easily washed and kept clean, like a graniteware cooking utensil. The oven is 16x16 inches in size, with patent drop door. The broiler, as will be noticed in the cut, has two supply pipes and burners at either side, and the flame is thrown toward the center, insuring perfect roasting or broiling. The body of the range is built of sheet steel and all outside parts are treated on best baking enamel baked on BOTH sides of the plates, insuring against rust; also has neat nickel trimmings. Ask to see our **BIG \$20 SPECIAL**. All installations made free of charge **SAME DAY ORDERED**. Easy terms if desired.
