

Gadsbys' Have Solved the Credit Problem

The trouble with most people is that they think money is the only thing in the world and that because they have but little of it they are helpless. So few stop to consider that their honesty and enterprise count for something—that those qualities are an asset, substantial and real. We feel that an industrious and enterprising man is worthy of our fullest confidence and entitled to our most generous credit. We give it freely—and what's more we make the terms of payment easier than any housefurnishing institution in Portland. We allow customers nearly two years in which to settle for their purchases. We charge nothing for the accommodation—no interest, no extra of any kind. You pay a little each month as you find it convenient. It's pleasant and dignified—convenient and helpful.

The Great Majestic Ranges

Best Made

No user of a Majestic is ever dissatisfied with the results. Every one we sell "makes good" on every promise we make for it. The Majestic is not a "bargain" article; it is made for the woman who wants the best and knows when it is shown her. It is the range for good cooks—for careful buyers that want long and satisfactory service. It is the range chosen by those who operate their range at the least cost for fuel. Now for the best part of this story—your credit is good on a MAJESTIC. You may select any one in our stock and pay for it by the month or week.

WOMEN WHO KNOW SAY:

Women who own Hoosier Kitchen Cabinets tell us that it makes an actual saving of one to three hours daily in their kitchen work. That's all the year round, of course. But let's consider the hot old Summer time—right now. At that rate in three months it would easily give you 168 hours free and away from the kitchen. Without the Hoosier you would have to spend those 168 hours in boiling, baking, muscle-aching work in the kitchen. 168 hours in three weeks of eight-hour days this Summer. How would you like a vacation of three weeks in July or August? With the Hoosier you can have that vacation—an hour to three hours of it every day. Does it seem too wonderful to believe? Come in and see for yourself. Special demonstration of Hoosier Cabinets in progress every day. Easy terms, too. A small payment down, then \$1.00 A WEEK.
