Fall Patterns Now Shown in the New Scotch Flannels

—Two qualities of this most useful cloth—so constructed that it is absolutely nonshrinkable.
—Many new patterns for the coming Fall season are now displayed on our counters. Patterns suitable for waists, suits, pajamas, shirts and children's wear.
—Variety of lovely blues—soft grays, tans—and white grounds with black and other colored stripes, checks and fancy plaids.
—Also colored grounds with white and contrasting colored stripes.
Quality "A," 29 inches, 30c yard
Quality "B," 29 inches, 45c yard

Our first shipment of imported model hats showing the new Paris fashions

—We have just received our first shipment of French pattern hats, which will be on display tomorrow in our millinery section. These hats will give you an idea of the new Fall styles.
—Hats that not only delight the eye and fascinate lovers of beauty, but emphasize the fact that this season will be one of the most noted in millinery history.
—In this showing are to be found hats from some of the most brilliant artist milliners, such as

Jeanne Castel.
Madame Louison.
Madame Vimout.
Madame Leontine.
Caroline Reboux.

—The variety and beauty of the design of these French creations is beyond description.

This Display Opens Tomorrow in Our Millinery Section

Autumn Frocks For Misses

—Every day wearable styles.
—These dresses were evidently designed by some one who knew what was best for young girls.
—The materials are very soft wool serges and simple in colorings, being rich browns, wine and Copenhagen.
—Made in the ever becoming Empire model with large shawl revers, cape and cuffs of a contrasting shade of messaline silk.
—Little straight rows of self colored buttons trim these dresses in a most original manner.

New Things Autumn Dress Fabrics

—Every season brings forth a new weave, a different blending of colors in dress fabrics.
—And the dress goods we are now displaying for the early Fall and Winter are far more beautiful than before in plain shades and soft mingling of colors, taken from the Autumn woods, the beautiful browns, tans and rich reds that are always in such favor at this season of the year.
—You will more than admire the
New English Homespun.
New Scotch Mixtures.
New French Cheviots.
New Heather Mixtures.
—Also, be sure to see our display of Double-Faced Cheviot Serges, the most fashionable fabric for two-piece suits, requiring no lining or trimming. 56 inches wide. Price \$2.25 yard.

Neckwear Novelties

—It is the correct finishing touch that makes the suit in many instances, and it is certainly inharmonious accessories that can mar it, and for all women, neckwear is the most important, for with a dainty frill of lace or embroidery she can add a most pleasing effect to her costume.
—The neckwear this season is distinctly novel. Crepe de chine bows with tassels and fringe ends in all the pastel shades, and quaint little neckbands.
—The English bead and braid novelties, all made up in gold and steel beads.

Art Needlecraft

—In this ever interesting department we are showing new materials for making art bags and purses consisting of metal threads, beads and cords in all the new shades of gold, silver, gunmetal and Oriental effects.
—FREE LESSONS in the art of crocheting and construction of these novelties.
—Also auto bonnets, toques and neck scarfs fashioned from chenille.
