

DR. LYMAN OFFERS HIS GUARD \$1000

Fifteen Minutes of Freedom All Physician Asked, Says Deputy Marshal Beatty.

DOCTOR DUE HERE TODAY

Nurse Thornet Still Uncaught—Escapes From Jail Will Be Object of Probe—Illicit Letters Have Been Mailed.

KLAMATH FALLS, Or., Oct. 7.—(Special.)—One thousand dollars was offered as a bribe yesterday by Dr. J. Grant Lyman to his new guard, Fred Morley, if Morley would leave the room and remain away 15 minutes, according to Deputy United States Marshal Beatty, of Portland.

Beatty asserts that Lyman promised Morley \$100 in cash, the balance to be forwarded by express as soon as the doctor made his escape. Beatty says he only made this discovery after Dr. Lyman had left for Portland this morning in the custody of Leslie M. Scott, United States Marshal.

Unless Lyman has notes hidden in the bandages around his ankle, Beatty is confident he is penniless, but says that Lyman maintains he can obtain funds if the authorities will permit him to receive them.

Lyman will be given a preliminary hearing in Portland and then will be taken to San Francisco, where he will be tried in the Federal court for using the mails with intent to defraud in connection with a Panama land deal.

Before taking his departure, Marshal Scott declared an investigation would be held of the escape of B. F. Thornet, Dr. Lyman's nurse, from jail here, where he was in charge of Sheriff Barnes.

The sheriff says Thornet could have been kept in the same cell as that occupied by Lyman, but Deputy United States Marshal Americh objected and insisted that the pair be confined separately.

Lyman, it is asserted, has been able to dispatch letters and telegrams from this city, through the indulgence of his guard, George Mapleson. This the authorities have tried to prevent.

Thornet is still at large and has now been free six days. He escaped from jail last Sunday in company with four other prisoners. Although it was believed none of the quintet had any funds they seem to have made good their escape.

Local officers of the United States Marshal's office expect Lyman to arrive at 7 o'clock this morning.

LIQUOR SALES NOT BARRED

Bachelors' Club at Woodburn Immune From Action, Court Holds.

SALEM, Or., Oct. 7.—(Special.)—

Making the Bachelors' Club of Woodburn immune from prosecution, at least until such time as the Oregon Supreme court on the decision of Judge Galloway in the Equity Court here, Judge Kelly today held that the grand jury could not indict the proprietors of the club for selling liquor without a license, as the general license law exempted cities and towns and placed them under the jurisdiction of such cities.

The grand jury heard about 15 witnesses relative to the sale of liquor by the Bachelors' Club in less than gallon lots, and found a presentment against the club only to be faced by Judge Kelly's exposition of the law. The members then asked if the club could be prosecuted under the general nuisance statute. Judge Kelly said if it could be shown that the club was haunted by low and vicious characters and that it was generally a menace to the welfare of the city, that such prosecution would be possible. The grand jury then retired for a short time, but on emerging from the grand jury room failed to find an indictment.

\$5000 Asked Because Astoria Officer Misjudged Disability.

ASTORIA, Or., Oct. 7.—(Special.)—

A claim for damages in the sum of \$5000 for false arrest and imprisonment was filed with the City Auditor today by Alexander Miller, of this city. Mr. Miller was arrested on September 11, by Officer Steinwald on a charge of being drunk, but was later allowed to go upon depositing bail. He appeared for trial in the Police Court the following day and the evidence brought out the fact that he has a physical disability which causes him to reel when walking when fatigued after a hard day's work. This caused the officers to think him intoxicated.

STATE UNIVERSITY SENIORS ELECTED CLASS OFFICERS LAST WEEK.

ROBERT N. KELLOGG, JESSIE M. BIBEE, EDWARD J. HINES, MISS PANAY SHAWER, MISS ANNE WILSON, MISS ANNE WILSON, MISS ANNE WILSON, MISS ANNE WILSON.

UNIVERSITY OF OREGON, Eugene, Or., Oct. 7.—(Special.)—Of the four university seniors who were honored with important class offices in the spirited election of Thursday, three, Miss Jessie M. Bibee, vice-president; Miss Panay Shawer, secretary; and Edward J. Hines, treasurer, are registered from Portland.

On Robert N. Kellogg, the popular athlete from Baker, falls the honor of heading the largest graduating class in the history of the University of Oregon. The class enrollment now is 114, which is 30 or 35 per cent larger than any former class entry.

The Judge (referring to Attorney Perky) is a sheep owner and attorney for the Woolgrowers' Association, and I naturally assume that Harmon is the Democratic choice of that organization for the Presidency, and he has been advised authoritatively that "Big Business" is for him.

Mr. Perky does not own sheep now nor has he done so in the past. Then the state chairman charges that the Harmon supporters are linked with the "trust magnates of the Republican party."

Later he takes the members of the Democratic State Committee into his confidence in this manner: "I desire to inform you that I have been advised that large sums of money are expended to mould public opinion in favor of Harmon through the medium of newspapers and that a large proportion of articles praising him are published as press dispatches are sent out from his headquarters and their publication is paid for by whom?"

DOUBLE MURDER RETOLD

ALLEGED SLAYER OF MR. AND MRS. COBLE BEFORE JURY.

Prosecution Says Prisoner Is Moral Pervert and Killed Couple—Evidence Domestic Trouble Barred.

OLYMPIA, Wash., Oct. 7.—(Special.)—After completing the selection of 12 men today to try George H. Wilson, of Rainier, on a charge of killing Mr. and Mrs. Archie Coble as they were July 10, the state and the defense made their opening statements to the jury.

The state maintained it would show that Wilson was a moral pervert and that his troubles with the Coble family furnished the motive for the murder. The defense promised to prove that the accused had nothing to do with the crime.

After two witnesses were called to introduce plates and drawings of the scene of the murder, Mrs. William McNett, an aunt of the murdered woman, for whose death Wilson is on trial, with Olga Christy, told of entering the house and of touching the bed but fearing to pull down the bed clothing when they saw the two still bodies under the covers. The prosecution wanted to question Olga Christy about the Wilson domestic troubles, but court sustained the objections of the defense.

Louis Eddy told of how the women came to him and how he went into the Coble home, unaccompanied by any other person, to see the women. The prosecution then introduced the bloody, double-bitted ax used to kill them and Eddy identified it. Eddy was on the stand when court adjourned.

SKAMANIA COUNTY LOSER

Total of \$2085 Paid Out on Illegal Claims; Errors Benefit.

OLYMPIA, Wash., Oct. 7.—(Special.)—Skamania County has paid out \$2085 on illegal claims and claims illegally allowed. He telegraphed errors have resulted to the benefit of the county, during the period from January, 1898, to June 30, 1911, according to the report of State Auditor J. S. Galt, today.

The County Auditor made one mistake that cost the county \$250, but another cost him \$100, so the county owes him \$150. The State also owes \$130. The report shows that Skamania County has been careless in its book-keeping, but that it has assets in excess of liabilities amounting to \$42,500. Its liabilities are only \$11,469, of which \$10,000 is a bond issue. The cost of the audit was \$573.10.

"Aggies" See Many Changes.

OREGON AGRICULTURAL COLLEGE, Corvallis, Oct. 7.—(Special.)—The last of the several private houses which have been within the natural boundaries of the college campus for many years is now being moved. Two large white houses, previously occupied by Dr. Withycombe and Regent E. E. Wilton, have been purchased and the last one is now being pulled across the campus to be located outside of the grounds. This will open up the east quadrangle of the college property and greatly improve the appearance of the campus. The old horticultural building and the frame building, which has been used during the past year for the pharmacy department and which was previously the girls' dormitory, are being skidded off the college campus in order to make room for the new and modern structures.

Mrs. A. W. Unruh Refers to Them as Beer Agitators—Portland Chosen for Next Convention.

MEDFORD, Or., Oct. 7.—(Special.)—Characterizing Secretary Knox as an agent for the brewers and Secretary Wilson as honorary president of the beer-makers league, Mrs. Ada Wallace Unruh, state president of the Women's Christian Temperance Union, delivered an address today at the state convention now being held in this city.

With proper organization, Mrs. Unruh said, she expected Oregon to vote "dry" and for equal suffrage on the statute books. She painted the horrors of the saloon and white slave traffic in Portland in gruesome colors, attributing the source of the trouble to man-made laws.

"Women will not bring the millennium," she said, "for as long as they are daughters of their daddies they will make mistakes. But woman suffrage is the paramount issue of the day and with its passage justice will be attained and conditions improved."

Mrs. Unruh's speech was greeted with great enthusiasm by the 200 delegates present, and her plea that the question of woman suffrage should be taken up by the Women's Christian Temperance Union as an issue of the organization won loud applause.

Following the president's address, a debate was held on the question "Shall the Women of Oregon Be Enfranchised?" For the affirmative were Mrs. Lucia Paxon and Rev. Edith Hill Booker. Mrs. Helen Dickinson Hartford and Mrs. Mattie Sleeth upheld the negative. The affirmative won.

It was urged unanimously that the National convention of the Women's Christian Temperance Union be held in Portland in 1912.

Upper Valley Prunes Not Hurt.

EUGENE, Or., Oct. 7.—(Special.)—That the prunes of the upper valley have so far suffered little from the continued rain and cloudy weather is the statement made by Manager J. O. Holt, of the Eugene Fruitgrowers' Association. The danger point, however, has not been reached, and should the unfavorable weather continue during next week, great damage will be done. It is yet unharvested. Unseasonable weather in the Spring delayed the ripening of the crop at least two to three weeks. The work of grading, processing and packing the prune crop into 25 and 50-pound boxes was begun yesterday, and the Lane County crop will be consigned regularly to the Eastern markets.
