# 2d Week of Distribution and Alteration Sales!

### Extensive Changes in Our Main Building Giving Us 6000 Additional Square Feet Floor Space!

THE near approach of the holiday season has demanded even a more radical step than the sweeping reductions of stocks in all departments! By the closing up of the rotunda in our main building, nearly 6000 additional feet of floor space will be gained. These alterations are being rushed to completion, the second and third floors being finished tomorrow.

Carload after carload of new Fall and Winter merchandise arrived the past week. Many new savings in this Great Mid-Season Distribution will make their appearance tomorrow. In many departments, the entire stocks are reduced. Every section has its compelling economies. Just a hint:

## All French Pattern Hats at Fourth Less

BEAUTIFUL beyond words are these creations of world-famed Modistes—the master products of inspired designers. Tomorrow you may choose them at 1/4 less regular prices and every woman who appreciates the rare beauty of French Hats knows that our prices, even regularly, are far lower than elsewhere.
