

ROSS ISLAND PLAN IS UP TO COUNCIL

Mayor Prepares Message Asking City Fathers to Put It on Next Ballot.

FEASIBILITY SET FORTH

Rushlight Extols Project as One Demanded by Portland's Growth and Urges Purchase When Price Deemed Reasonable.

The City Council will be asked at its next meeting to act favorably on the proposed plan of Mayor Rushlight to acquire title to Ross Island, in the Willamette River, for the purpose of developing a municipal industrial center.

Following is a message by Mayor Rushlight addressed to the City Council, which will be read at the meeting Wednesday morning.

With the thought of securing to the people of this city a desirable location for a mid-river park, as well as sufficient ground space for a municipal industrial center, I have obtained a six-months option on the river property known as Ross Island.

400 Acres Comprised.

Ross Island, and the two smaller adjacent islands of the group, which are included in the proposed purchase, comprise an area of something like 400 acres. The property is on the Willamette, convenient to the city, and is one of the few remaining desirable tracts inside the city's limits.

It is my opinion that this land should be acquired immediately. The largest island would make a most desirable mid-river park, with many features of beauty in time developed. This one of the most beautiful free public resorts in the country.

Building Sites Provided.

The two smaller islands would make ideal locations for the grouping of the various municipal buildings that are now scattered about the city. One of these islands could be set aside as a site for a large incinerating plant, which will be necessary for many years.

There is ample room for the raising of stock, and this manner the city would be repaid for the expense incurred in caring for its wards.

Man of 80 Cured of Nervous Indigestion

This remarkable stomachic and health and strength giver enables Mr. C. F. Tenney, well past the prescribed threescore years and ten, to enjoy life and eat anything.

It has done the same for thousands of others and will do it for you.

He writes: "I have been afflicted with nervous dyspepsia for years; in fact, I can hardly remember the time when I had not some sort of stomach trouble. But since I commenced taking Duffy's Pure Malt Whiskey I can eat anything, in moderation of course, without any bad effects. My friends all say 'how well you are looking.' I shall be 80 in March next, yet I can walk as limberly and fleetly as any citizen could, but not for so long a distance of course." C. F. Tenney, Bement, Ill.

Duffy's Pure Malt Whiskey

STANDARD OF PURITY AND EXCELLENCE SINCE 1890

When taken at meal-time it stimulates the mucous surfaces and little glands of the stomach to a healthy action, thereby improving the digestion and assisting its full proportion of nourishment.

This action upon the digestive process is of great importance, as it brings to the tissues and organs of the body the nutriment necessary to their sustenance and to the whole system strength and vigor.

It makes the old feel young and keeps the young strong and vigorous.

Duffy's Pure Malt Whiskey is the only whiskey that was taxed by the Government as a medicine during the Spanish-American war.

Sold by druggists, grocers and dealers in sealed bottles, price \$1.00. If you can't procure it, let us know and we will see you how to obtain it. Write for free doctor's advice and book of recipes for table and sick room.

Funeral services of Mrs. Sadie Wolfe, wife of Adolphe Wolfe, president of Lipman, Wolfe & Co., will be held this afternoon at Temple Beth Israel, at Twelfth and Main streets.

The sudden death of Mrs. Wolfe has cast gloom over the host of friends and acquaintances of the family. For 21 years she resided in Portland and made herself beloved by all.

Home Life Loved. Mrs. Wolfe lived a domestic life, and while she gave much toward deserving causes, her charity was ever quiet. She was a member of the Council of Jewish Women and also was one of the directors of the Portland Baby Home.

Her father and Rabbi Isaac M. Wise, father of Rabbi Wise, of Portland, and the elder rabbi officiated at her wedding. Her maiden name was Sadie Wendel.

Mrs. Wolfe was the mother of four children, three of whom survive—Florence, Stella and George. She also leaves two sisters, Mrs. Solomon Rosenfeld, of Portland, and Mrs. George Wolf, of Portland, and a brother in Piqua, O. A number of other relatives here and in the East are also bereaved.

Among them are Mrs. Joseph B. Wise, of Portland, a niece, and Mrs. I. N. Lipman, also a niece.

The honorary pallbearers at the funeral today will be Albert Felder, helper, Philip Lowengart, Horace D. Ramsdell, Gustave Simon, S. Julius Mayer, Ben Selling, Isaac White, Marcus A. Felschner, Joseph Simon, and Moses Sichel. Employees of the firm of Lipman, Wolfe & Co. will act as active pallbearers. They will be J. N. Levinson, H. T. Ramsdell, D. N. Toomey, R. McRae, M. LeMond, H. Goddard, J. Rutherford and H. Thompson.

SLEUTHS' HEARING NEAR

Detectives Have Until Tomorrow to Answer Contempt Charge.

Detectives Mallett and Moloney, who were ordered to appear before Judge Galden, at the Riverside Hotel, last night, to answer a contempt charge, because they refused to be punished for contempt of court for assisting in the kidnaping of Leo W. Martin, when Martin was arrested, and a habeas corpus proceeding, have been given until tomorrow afternoon to make their showing.

They will be required to plead to the kidnapping charge before Judge Galden Tuesday afternoon. Commenting on Governor West's refusal to grant requisition papers for the return of Deputy Sheriff Rinker to Oregon to stand trial with the detectives on the kidnaping charge, John C. McCus, special prosecutor in the case, said:

"Seven men of Multnomah County, constituting a grand jury, have seen fit to return an indictment against Rinker charging him with a serious crime, and I feel that it is a ministerial and not a judicial capacity, but he has seen fit to declare practically that these men, with whom he has an equal bias, will win."

Sale of the Perry Graves Bankrupt Stock

Upright Pianos Going for \$100, \$150 and \$200--Think of That!

The Sale of the Perry Graves Bankrupt Stock by Eilers Music House Comes, We Find, Most Opportune for Many Families Who Do Not Wish at the Present Time to Invest Much Money, People Who Need a Piano, and Yet Do Not Wish to Rent One.

Many people nowadays have obligations to meet in many directions. In many homes the insistent demands of the wife who once played, or the growing children who should be taking lessons are simply ignored from day to day because of the relatively high prices of good pianos and the difficulty of meeting the large payments.

No one has ever seen pianos, new ones, or slightly shapeworn ones, sold at this regular auction, knock-down prices heretofore. If you want one of these pianos for an even \$100, come and get one right away, because the supply is rapidly diminishing.

Many have come in, however, to purchase these \$100 and \$150 styles, and when they found what was to be had for \$200, instead of paying cash, they paid the additional premium and bought one of the \$200 styles on time payments.

The result is that there are but very few of the \$200 instruments left, but we have a very excellent selection of those to be closed out at \$150. It is not necessary to bring all the cash, for, as stated heretofore, we now arrange to let any family in this city and state have any one of these pianos on payments of \$4, \$5 or \$6 a month.

People who call and investigate find the exchange privileges that we grant with the sale of one of these pianos very attractive. At any time within two years, Eilers Music House obligates itself to accept any of these bankrupt-sale pianos at the full amount now paid for it, or to trade them in on a new piano.

toward payment of any of the fine high-grade pianos that a purchaser may wish to buy later on. This positively insures against dissatisfaction in every way. If the piano you now receive, after you have tried it for a month, or a year, or two years, does not prove exactly to your liking we take it back and allow you all you have paid for it toward payment of one of the instruments in the regular Eilers Music House line.

There are left for sale tomorrow several very high grades—numerous medium grades and a number of cheap ones. There are brand new pianos, and some slightly-used pianos and quite a number that have been out on rent a very short time.

We have divided the stock into three groups. Instruments in group A go for exactly \$100. Instruments in group B go for \$150. Instruments in group C go for \$200. These are the cash prices. Time buyers will have to pay an advance of 10 per cent, but we'll make the terms of payment as easy as any one may desire. Pay \$4 or \$5 a month and have one of these pianos sent home immediately.

Pick out your piano right away. We propose to make the quickest possible kind of work of this sale, hence this preparatory sacrifice. They're upright pianos, all of them, understand; they're good ones and go for exactly the prices put upon them, namely: \$100, \$150, \$200.

There are also four elegant player pianos all to go for \$425. Our guarantee goes with each instrument sold, and we agree to accept at any time at these sale prices these instruments in part payment for any new Chickering or Knab, or other highest-grade piano, or for a baby grand or a player piano that we regularly sell.

Remember, this is the one great piano-buying opportunity of your life; come right away; telephone or write Eilers Music House, now at the corner of Seventh and Alder streets, the Nation's largest dealers in Pianos and Talking Machines.
