The Framing of Pictures

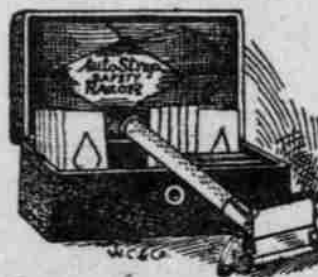

An appropriate frame for a beautiful picture enhances its artistic and sentimental value. The frame should also be selected with regard to its surroundings and should blend harmoniously with them.

Our picture and framing department offers not only very broad stocks of mouldings and frames for selection, but furnishes that perfect mechanical service which insures the work being executed in a highly satisfactory manner.

All orders for framing left in our care before Friday, the 22d, will positively be finished before Xmas.
