

FOUNDER OF PAPER MILLS IS STRICKEN

Ludwig Schwabacher Dies in San Francisco as Result of Heart Disease.

OREGON INTERESTS LARGE

Manufacturer, Formerly Manager of Crown-Columbia Company in Oregon City, Succeeded in Position by Louis Bloch.

Telegrams received from San Francisco announce the death there yesterday of Ludwig Schwabacher, former vice-president and general manager of the Crown-Columbia Pulp & Paper Company and founder of the old Crown Paper Company mills at Oregon City. Heart disease, from which he had suffered for over a year, was the cause of death.

Mr. Schwabacher was well known in business and social circles in Portland, having been a frequent visitor here while actively engaged in the manufacture of paper. Ill health caused him to retire from the Crown-Columbia Company the first of this year. The position of vice-president and general manager going to Louis Bloch, one of the prominent officials at the headquarters of the company in San Francisco.

Paper Mills Established.
Mr. Schwabacher was born in Germany. He came to the United States in the early 70s and made his home in San Francisco, where he became prominent in business circles. His first business enterprise was an ink and extract manufacturing establishment, which he conducted successfully for a number of years. In 1893 he came to Oregon on a business trip and soon afterward established the paper mills of the Crown Paper Company at Oregon City, which still stand on the bank of the Willamette River.

In June, 1904, he consolidated the Oregon City mill with the Crown-Columbia mill at Camas and assumed the general management of the consolidated company, which was called the Crown-Columbia Pulp & Paper Company.

He held this position until this year, when he retired in favor of Louis Bloch, who had handled the affairs of the company during Mr. Schwabacher's trip to Europe a year ago and during periods of sickness.

Trip Abroad Benefits.
Mr. Schwabacher's health began to fail about two years ago and continued to grow worse until he went to Germany and passed six months at rest. He returned somewhat improved, but the trouble soon returned and he was forced to retire from the active management of the paper company and other interests.

Until a few years ago he visited the mills at Oregon City about once a month, passing the rest of the time at the headquarters in the Commercial building in San Francisco.

He was married in San Francisco to Carrie Fleischacker, who, with two sons, survive him. His sons are James and Albert Schwabacher, both prominent business men of San Francisco. Mrs. Schwabacher is the sister of Herbert and Mortimer Fleischacker, San Francisco bankers.

Among the Portland friends of Mr. Schwabacher is Rudolph Goldsmith, who was intimately acquainted with him for many years in San Francisco. "He was a man of rare ability," said Mr. Goldsmith yesterday. "He was the sort of person who is full of fun no matter how sick he is. I received a letter from him just a short time ago and it was full of jokes and fun, which would hardly be expected of a person who was sick. Besides the paper mills in Oregon, he was interested in various enterprises in California, all of which required much work on his part."

Invention to Be Examined.
VANCOUVER, Wash., Jan. 27.—(Spec.)

PORTLAND HIGH SCHOOL GIRLS WILL SELL SWEETS AT BIG MINSTREL SHOW

Students Bury Rivalry and Give Support to Lincoln Theatricals to Be Produced February 2 and 3—"Boners" and "Fussers" All Will Be Present at Great Event.

SOME OF THE THINGS THAT MAY OR MAY NOT BE SEEN AT THE HIGH SCHOOL MINSTRELS

"P"OPCORN, peanuts, chewing gum, candy. Here's where you get your chocolates, chocolate chips, fudge and creams; best bon-bons in decorated boxes, all for the great minstrel show. Six high school misses, clad in "rough neck" sweaters, bearing the numerals of their classes and the insignia of their schools, will be the candy boys at the minstrel show of Lincoln High School in the Bungalow Theater February 2 and 3. The Misses Charlie Fenton (Gyp, Charlie is a girl) and Kathleen Reilly from the Lincoln High School; Myrtle Gram and Ruth Cushing from the Jefferson High School, and Lela Ladd and Hazel Russ-

sell from the Washington High School, will be the fair dispensers of sugary delights.

CONGRESS DRAWS MANY

Delegations of Irrigationists to Be Here From All Parts of State.

"The Irrigation Congress which will be held here February 19, 20 and 21, will be of interest not only from the bearing it will have on the general development of the state," said C. C. Chapman, publicity manager of the Commercial Club yesterday. "But also from the fact that it will present the politics of the state at the present time. Letters received in response to our call for the congress indicate that prospective candidates for various offices from every part of the state will be present and this probably will add much interest aside from the regular work of the congress."

J. T. Chinnock, superintendent of division one of the Water Board, has notified the Commercial Club here that he will be present and that a strong representation from the department he represents may be expected. T. B. Kay, State Treasurer and a member of the State Land Board, also announced yesterday that he would attend. Eastern Oregon promises large attendance from all sections. Among the representative men of the part of the state who have answered the call to the congress and have promised to secure strong delegations, are H. P. Bodison and State Senator McCullough, of the Baker Commercial Club; J. W. Brewer, of the Redmond Commercial Club, who says that Central Oregon will send big crowds from every city, and Dan P. Smythe, of the Pendleton Commercial Club.

PRECINCT PLACES VACANT

Only One Files Candidacy for Committee Man So Far.

"People complain of party politics being controlled by cliques, yet here is the first notice of candidacy of a precinct committee man," said County Clerk J. W. Wright, of 1870 East Alder street, who wishes to be committee man for the Republicans from Precinct 52.

"Nearly everyone admits that the Government must be conducted through parties," continued the County Clerk. "yet party lines are being lost sight of. It might be different if the voters would realize that they have it in their power to control absolutely the party organizations. They can elect their precinct committeemen instead of having them selected after the election. I suppose the trouble is that many men think this is too small an office to run for, but I disagree with that view. In my estimation it is quite important."

BRIDGE LIGHTS FAVORED

Mayor Would Make Spans Shine for Elks and Festival.

Mayor Ruslight has referred to the lighting committee of the Executive Board the subject of illumination of the bridges over the Willamette River during the Elks' convention and the Rose Festival. He believes the city should act along that line for both occasions and has recommended that the committee hold a joint session with the ways and means committee of the City Council to work out a plan.

"I favor having a good plan of illumination on the bridges," said the Mayor yesterday, "and have therefore asked the lighting committee to consider this subject. The members will meet with the ways and means committee of the Council some time in the near future to work out a plan. It seems to me this will be a nice way of showing the city's interest in these events."

BOYS' FRIEND COMES

Judge Willis Brown to Be Visitor in Portland.

LECTURE IS TO BE GIVEN

Jurist Is Leader of Movement to Change Methods of Law in Dealing With Children.

Fame Widespread.

Judge Willis Brown, founder and administrator of Boy City, a Summer camp for the training of boys, at Charlevoix, Mich.; founder and first judge of the Juvenile Court of Salt Lake City, and known for his work in the cause of boys, will deliver a lecture in this city Tuesday night, January 29, in the

Judge Willis Brown, Who Will Speak at White Temple Tuesday Night.

White Temple, under the auspices of the Oregon Congress of Mothers. Judge Brown's lecture will deal with his experiences in dealing with boys through the Juvenile Court and in the activities of the Summer camp at Charlevoix.

Judge Brown is the leader in the movement for civil law and educational methods to govern all dealings with children who need the intervention of the state in their behalf, as against the present custom, except in Utah, of applying the criminal law in Juvenile Court cases. He is the founder of the Utah Juvenile Courts, which are declared to be in advance of all others. These courts are separate from all other courts.

"Boy City" is a Summer camp where boys from 11 to 17 years of age are admitted. Each boy's club or camp becomes a part of the tent city. All the enterprises are managed by boys. They conduct a bank, daily newspaper, stores, postoffice and other enterprises. The camp is intended to give boys an opportunity to learn something of municipal administration and to develop character under the most favorable conditions.

Judge Brown will address the students of Jefferson High School Tuesday afternoon at 3 o'clock in the High School auditorium.

Mosier Orchards Bought.

Devlin & Firebaugh, selling agents for the Hood River Orchard Land Company, report the following sale at Mosier View Orchards during the past month to Eastern buyers: Ten acres to William P. Hooper, of South Lyon, Mich.; 12 acres to A. N. Tucker, of Toledo, O.; five acres to Cyrus E. Taylor, of the same place; 10 acres to T. H. Field, of Prairie Depot, O.; both Mr. Tucker and Mr. Taylor expect to move with their families to Orley, the new town at Mosier View Orchards, in the Spring.

ACTION AT ONCE NEEDED

WATER RIGHT PAYMENTS DUE BEFORE MARCH 1.

Report to Be Made on Each Umatilla Project Entry as to Those Delinquent on Date.

L.A. GRANDE, Or., Jan. 27.—(Special.)—The prayer for graduated payments of water right charges upon the Umatilla project seems to have availed nothing, inasmuch as the Commissioner of the General Land Office has directed the La Grande land office to notify the holders of the project of the water right charges up to and including that of December 1, 1910, that payment must be made of such charges at the local land office before March 1, 1912, or appropriate action looking to the collection of the charges under the water right contract, if the land is not included in an entry subject to the reclamation act, or the entry, if subject to said act, will be promptly canceled without further notice. In obedience to such direction, notices

signed by Register Bramwell and Receiver Eberhard, have been sent by registered mail to all such persons. There were over 250 registered letters, and the amount shown on all the notices sent aggregated a total of \$61,764.32.

In former years the public notices have been conditioned so that water right claimants were not delinquent until March 31, and payments made at Hermiston on or before that date have been recognized even if received at the land office after the date. While it is not announced that a different rule will be followed this year, yet the officials of the land office desire to attract the attention of all water users having payments to make, that the dates used in connection with payments refer to the time the payments should be made at the local land office, and not to the date mailed or otherwise. Therefore, promptly after March 1, 1912, a report will be made on each entry shown by the land office books to be delinquent on that date.

Equestrians Have Musical Ride.
Many persons were present at the Kramer Riding Academy last Thursday night to take part in a musical ride, when the various quadrilles and section displays were admirably carried out under the command of S. E. Kramer. The ride was held at least once a week. Among those present were Mrs. W. Biddle, Mrs. Grolle, Mrs. G. S. Whiteside, Mrs. Harry Litt, Miss

M. Hart, Miss Lillian O'Brien, Miss Gile, Miss K. MacMaster, Miss C. Cook, Miss Geld, A. Gilson, Captain W. Biddle, F. H. Strong, C. E. Grolle, Chester G. Murphy, Dr. J. N. Coghlan, F. W. Stewart, William Brewster, William Walter, Arnold S. Rothwell, A. J. Foulhoux, R. L. Mason, Hamilton Corbett, W. F. Burrell and Stanley Jewett.

Eat and Get Thin.
This is turning an old phrase face about, but modern methods of reducing fat have made this revision possible. If you are overweight and also averse to physical exertion during this warm weather, and likewise fond of the table and all that goes with it, you can reduce your excess flesh several pounds, do this: Go to your druggist (or write the Marmola Co., 885 Farmer Bldg., Detroit, Mich.) and give him (or send them) 75 cents. For this modest amount of money the druggist will put you in the way of satisfying your ambition for a nice, trim, slim figure, without fear of harm even on the hottest Summer days. He will hand you a large case of Marmola Prescription Tablets (compounded in accordance with the famous Marmola Prescription), one of which you must take after each meal and at bedtime until you begin to lose your fat at the rate of 12 to 18 ounces a day. That is all. Just go on eating what you like, leave exercising to the athletes, but take your little tablet faithfully and without a doubt that flabby flesh will quickly take unto itself, leaving behind it your natural, well, neatly clothed in firm flesh and trim muscles.
