Embroidered Flounces, Allovers and Bands of Finest Voile

A Most Remarkable Sale

A Treat for the Pocket Book

—The new distinguishing feature of the Spring fashion is undoubtedly the robes and dresses of embroidered voiles.
—The most attractive and pleasing models of the entire array of Easter gowns in this light, filmy material are shown in embroidered voiles.
—Allovers, flounces, bands and edges are used in the most ingenious combinations.
—These embroidered robes are the foundation for the superstructure of scarf-like draperies, fancy tunics, envelope draperies or Tanagra effects.
—In the most exclusive shops duplicates of these beautiful materials are to be found retailing from \$7.50 to \$10.00 the yard.
—In this removal sale an interesting feature is the beautiful color combinations that are interworked into the different designs. There are also exquisite examples in all white effects.
—These handsome embroidered voiles are easily made by the home dressmaker—you will, therefore, be able to secure one of the most fashionable and beautiful dresses of the season at a small output.

—Following is the detailed story:

\$7.50 Embroidered Flouncings \$2.95

—Sunburst and scroll designs in heavy, deep flouncings on the finest voiles—in the heavy raised patterns closely resembling the hand-made, and an immense assortment of most elaborate designs, with hardly any two alike. In color combinations.

\$5.00 Embroidered Voiles for \$1.95
