This Time Our Scene of Operations Is Transferred to the Far East
Pongee Silks at Removal Prices
 —These silks come to us from the new Chinese republic. They were purchased, however, before the revolution, when the Chinese looms were busy turning out their customary fabrics; before agitation, war and pillage interfered with their commerce. Shrewd merchants, at the first inkling of revolution, anticipated the rise in silks that was to follow, and secured what silks they could at former prices. The last shipment of Pongee silks has just come to us. Tomorrow we offer 10,000 yards of real Shantung pongee. As the season advances, pongees are being favored more and more. This is but a hint to shrewd shoppers to secure what pongee silks they need now, while removal prices still obtain. Below we quote our removal prices.
