

## OREGON STUDENTS SHOW ACTIVITY

State Well Represented in All Lines of College Life at Berkeley.

### PORTLAND BOY HEADS LIST

Phi Beta Kappa, University Cadet Corps, Track Team and Social Clubs Claim Attention—Girls Are Also Prominent.

BERKELEY, Cal., May 18.—(Special.) Undergraduate, both male and female, registered from Portland and other sections of Oregon, have been prominent in the different college activities at the State University during the past year. In all kinds of activities, athletics, scholarship, dramatic and social affairs, students from Oregon play important parts.

W. P. Tutin, a member of the senior class graduating this June, was one of the most prominent students in the University from Portland. Tutin served as president of the Portland Club for a semester. He was one of the officers of the University Cadet Corps, ranking as battalion commandant. Prior to receiving this title, he had held successively the positions of Lieutenant, Captain and Major.

Tutin is of versatile ability. As one of the 29 best scholars in the senior class, he was honored with election to Phi Beta Kappa, the National College Scholarship Society. Only the men with the best scholarship records are eligible to membership. Popularity in the university in some sort of activity is essential for one to become a member.

Earl Crabbe, the star two-mile runner on the university track team, was the most popular member of the sophomore class. Crabbe held the presidency of the 1914 class for two semesters and was active in the politics of the university. He has been twice a member of the track team and this Summer will represent the University of California in the two-mile run at the Western conference championships at Lafayette. During the track season just closed, Crabbe broke the two intercollegiate two-mile record on two occasions. In the dual meet with the Stanford College track team held on the local oval, the Portland athlete negotiated the two miles in 9:33, establishing a new Pacific Coast intercollegiate record. In the Stanford-California dual meet at Palo Alto, Crabbe surpassed his former record for the meet, traveling the two miles in 9:35 1/2. Crabbe's old record was 10 minutes flat. In 1911 he was picked for the two-mile on the Pacific Coast All-Star track team.

### Portland Boy Makes Good.

Another Portland boy, who has made good at Berkeley, is J. Cecil Altman. Altman is a member of the junior class. In his freshman year he won his class numeral in the mile-run against the Stanford freshmen. Illness prevented Altman from becoming a candidate for the varsity track team. Altman is a college dramatist of note, taking part in a number of university productions. His best membership is in the First Club.

John C. Compton, of the sophomore class, is vice-president of the Portland Club and a member of the Sigma Phi Epsilon Fraternity.

Miss Edith Clerin, a member of the sophomore class, was substituted on the Women's Varsity basketball team.

Frances Moore, a freshman at the University last August, as a freshman, is a member of the Kappa Alpha Theta Society and prominent in the affairs of the first-year class.

Hil and Ruth Raiston, members of the freshmen class, are both affiliated with the Delta Delta Delta Sorority.

Lillian Amos, who received her scholarship last Wednesday after four years of brilliant scholarship work at the university, is one of the few women elected to Phi Beta Kappa, the scholarship society. Throughout her four years of residence here, Miss Amos maintained a high grade in her studies and her election to the Phi Beta Kappa is a popular one.

Edward Zeitfuchs, a member of this year's graduating class, showed special talent in chemistry, and, in recognition of his ability, was elected to Phi Kappa Phi, the chemical honor society.

Ronald Strong, a sophomore, is affiliated with the Kappa Sigma Fraternity. Ronald Stobbe, a freshman, is also a member of Kappa Sigma.

C. J. Wetzel claims membership in the Chi Psi fraternity. Wetzel was a member of the registration staff on the Delta Upsilon, the official organ of the university, and tried out for the freshmen football team.

Walter S. Atkin, a member of the June, 1912, graduating class, served as a member of the senior week committee.

Paul Cook, a junior, belongs to the Phi Kappa Club.

Harold Farmer, registering in the College of Commerce, is a member of the Lambda Chi Club. Farmer is a junior.

Other students registering from Portland at the university are: George Gary, freshman; John Hauke, junior; Charles Bohan, junior; Miss von Winter, sophomore; Arthur Houston, freshman; Evelyn Houston, sophomore; Ruth Buckley, freshman; Pearl Kenyon, junior; T. B. Bann, sophomore; Roy Wendenbatter, senior; E. Garcia, sophomore; Margaret Van Gestner, senior; Angelita Kelley, sophomore; and Seth Axley, Salem, freshman.

### NOTED CANVAS IS "JUNK"

Californian Buys Probably Genuine Verboeckhoven for \$100.

MENROVIA, Cal., May 18.—Drawn by idle curiosity to a junk shop auction in Los Angeles recently, Dr. F. M. Pottinger, of Menrovia, it was said today, bought for \$100 a painting which pleased his fancy and was later pronounced by connoisseurs a Verboeckhoven masterpiece worth at least \$20,000.

Judge of art works declared the painting a dairy scene, undoubtedly was from the brush of the famous Belgian artist who died 23 years ago. They averred the painting was probably 50 years old, one going so far as to declare he had seen it sold in Paris a few years ago for several thousand francs.

### NEWBERG GETS NEW MEN

Commercial Club Adds Many Members as Result of Contest.

NEWBERG, Or., May 18.—(Special.) The campaign for new members for the Commercial Club closed yesterday and tonight the club was held last night to learn the results. Thirty days ago two captains were

selected—W. C. Wharton, president of the First National Bank, and Secretary Bennett, who is connected with the United States National Bank. The rules of the club had been changed so as to admit members from outside of town. A condition of the contest was that the losing side should pay for a banquet for the entire membership.

Upon counting the applications last night it was found that Secretary Bennett's canvassers had won with a score of 136 against 69.

At this meeting it was announced that word had been received from the Oregon Electric Railway Company and from the Southern Pacific that they would begin the work of construction of their lines through Newberg in a short time.

It was also suggested that a parade of workhorses might be added, with advantage to the attractions of the Newberg Rose Fair, to be held on June 8, and a committee was instructed to

### VETERAN WOUNDED AT COLD HARBOR IS BURIED AT COTTAGE GROVE.

William H. Arne, COTTAGE GROVE, Or., May 18.—(Special.)—The funeral of William H. Arne, an old soldier and a resident of Cottage Grove for 14 years, was held Friday.

Rev. Robert Sutcliffe conducting the services at the M. E. Church. Services at the grave were conducted by Appomattox Post, G. A. R.

William H. Arne was born in New York State, December 6, 1845. He served three years in the Civil War, being wounded at Cold Harbor, June, 1871. He married Nettie M. Greenwell, of Parkersburg, Iowa, moving from there to South Dakota and then to Cottage Grove.

He had been a member of the M. E. church for 41 years. A widow and seven children survive him. The children are Mrs. F. B. Phillips, Rufus C. Arne, Leon C. Arne and Claude H. Arne, all of Cottage Grove; Mrs. L. M. Little, Irroquois, S. D.; R. W. Arne, Fosell.

take the matter up with the women who have general charge of details for the fair.

### COAL STRIKE IS ENDED

ANTHRACITE WORKERS TO RESUME NEXT WEDNESDAY.

Illness of Seven Weeks Is Terminated by Convention at Wilkes-Barre, by 223 to 64.

WILKESBARRE, Pa., May 18.—The anthracite mine workers' convention today ratified the agreement entered into by a sub-committee of the members and operators, and the miners will go back to work after an illness of seven weeks.

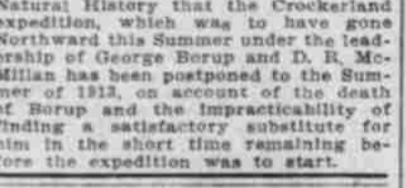

The result of the vote, 223 to 64, was announced amid cheers. A motion was at once adopted authorizing the miners' sub-committee to sign the new agreement along with the coal operators.

The convention adopted a motion ordering all men back to work next Wednesday, May 22. The men quit work on March 21. The repair men are to return to work Monday.

Crockerland Expedition Postponed.

NEW YORK, May 18.—It is announced at the American Museum of Natural History that the Crockerland expedition, which was to have gone Northward this Summer under the leadership of George Borup and D. E. McMILLAN, has been postponed to the Summer of 1913, on account of the death of Borup and the impracticability of finding a satisfactory substitute for him in the short time remaining before the expedition was to start.
