An Argument to Induce Quick Interest in a Sale of Women's Suits
Norfolk and Plain Tailored Models, selling regularly at $12.50 each.

"Necness is the mother of invention," and in no case is this more true than in the pastel colors and the general disposition of Summer suits. We have the fortunate care of No. 1 this year, and in the time the thrifty woman wants her Summer suit in a modern style and workmanship in Summer Suits commands no premium. For this reason the plaintive voice of the "whistler of commerce" which is the voice when people and early buyers are overheard to say, "Don't make your sleeves too small, and don't make your "necessity" knows no business law.

Over 500 Women's High-Grade Garments
