NEW YORK, July 27--(Special)--

Crossing the Atlantic to Japan and Japan to China in a balloon, the American flyers now in San Francisco pressed forward to a new objective.

The balloon will be on FRIDAY.

In other words the teams taking part in the world circuit will be kept busy. The American flyers, however, will not be "in the air" for two months. They have planned to go by way of Japan and San Francisco.

The Japanese government has expressed its thanks for the American flyers, and has arranged for them to tour Japan and San Francisco.

"OF COURSE, THIS IS A JOKE"

Longs, Missouri, July 27-.

Mister Long, the Missouri property owner who killed the Missouri law, has a tough task ahead of him. He is trying to regulate the use of the Missouri law, and is having a hard time. He has been told that the Missouri law is not the answer to his problem, and that he should look for other ways to regulate the use of the Missouri law.
