HELP WANTED-MALE.

HELP WANTED—MALE.

15 MEN WANTED.

STEADY WORK GUARANTEED.

We want men to work in modern brick factory; men who are capable of running machines. We have men who have worked in this plant steadily for four years, and we want men of that class. We have provided a tract of land for sale to those whom we employ, so that they may become permanent citizens. These tracts are only a step from the depot and town of Willamina, very best of soil, all cleared and well located, for \$150 to \$250 per acre; your own terms if you will pay \$50 down. Goed schools, and we guarantee a home market at good prices for all small fruits and vegetables. We have soid a good many tracts already to parties who have gone to work in the brick plant, and there is not one man who has had any trouble or has been turned out of work. The work varies so that we can say that almost any style of laborer can get a good position. There are a few houses in jown to rent, and the rent is less than \$10 per month for 6-room houses. Dry fir wood can be had for \$2.50 per cord, and cask wood for \$3.50 per cord, and cask wood for \$3.50 per cord, you can easily figure out a much greater profit on \$2 per day there than on \$3 per day in town, besides the rent you will pay here will go as part payment on your tract. Do not fail to investigate this Take Sheridan train at Fourth and Yamhill sts. at 7.20 in the morning, transfer to Willamins, and ask for L. W. Damon. Office one block from depot.
