So far our Mid-Summer Clearance Sale has surpassed all others in the abundance of rare bargains offered, but we have far greater values to present for the coming week's selling than we have ever before shown. If you have the purchasing of a few pieces of furniture, or a complete outfit in your mind, it will pay you to select them now, and let us hold them for you until you are ready to have them delivered into your home.

The most moderate salary entitles you to open an account with us for the asking. The POWERS system not only offers you extremely liberal terms to start in with, but provides the greatest consideration during times of sickness and misfortune. We aim to bring our accounts to a happy close in the same pleasant manner in which they are started, thus proving genuinely helpful and worthy of your confidence in every way.
