are pleased beyond measure with the conditions there and with the great future of the
new industrial city. The big sawmill—the largest in Tillamook County—is about com-
pleted and will be in operation soon. The work of clearing and grading is progressing
and this Fall will witness a great change in Brighton's aspect.

the completion of the Panama Canal and the deepening of the channel in Nehalem Bay.

Investigate Brighton without delay. Call at office or write for literature. Use the
coupon if you cannot call. Return fare $65, good Saturday to Monday, or $4 good for

in the West. The best beaches in the Northwest are only one mile from Brighton.
