clted numerous instances of rank ingratitude on the part of Roosevelt Progressives, who are sacrificing loyal friends in their greed for office. Developments favorable to President Taft have been marked all week, according to David W. Mulvane, director of Taft headquarters.

"Every development of the campaign during the week has been distinctly favorable to President Taft," said Mr. "Not only from Michigan, Mulvane. but from other quarters, have come reports which justify the impression that the Roosevelt movement is not awakening the enthusiasm which over-sanguine leaders of his campaign predicted, and have been so loudly acclaimed.

## Campaign Making Progress.

"As loyal Republicans realize that they are being used by Mr. Roosevelt to wreck the party with which they to wreck the party with which they they are being used by Mr. Roosevelt to wreck the party with which they have been associated all their lives, and which they still believe to be the most effective instrument for good govern-ment, they will decline to follow him Mr. Roosevelt will find that it is one thing to be a leader in the Republican party and quite another thing to lead men out of it. "Another development of the week has been the fact that the support which President Taft will receive will not be confined to his own political party. Men are appreciating the fact

party. Men are appreciating the fact that the President stands for business stability and preservation of Consti-tutional government, and they are for him on these vital questions, regard-less of political affiliation. Our cam-paign is making definite progress. It is already well advanced. There is enthusiasm all along the line. En-couragement and confidence meet us everywhere. Morrison Street

Chalmers business is founded on the principle that people appreciate quality at medium price instead of quality at high prices or mere quantity at low prices.

The 1913 Chaimers models offer, at medium prices, the features which characterize the highest priced cars, and many features not found on other cars at any price.

The Chalmers "Six" is truly a maximum car. It has every quality that you could possibly ask in a motor car and yet is sold, fully equipped, at \$2400 for the 5-passenger model; \$2600 for the 7-passenger model. Chalmers "Thirty-Six," at \$1950, fully equipped, has all the features of the highest priced motor cars. It is an ideal
