Heinie Heitmuller, the giant Los Angeles outfielder, is enjoying a tempor-ary slump, and this, coupled with a series of swatting rallies by Del How ard, has widened the gap between th two Coast League leaders. Howard mark is 362 and Heitmuller's 345 Pete Daley, of the Angels, clings tens clously near the top with 335, while Bayless, of the Tigers, and Hetling, o the Oaks, are the other early season phenoms to continue their good work

Hartley, the new Spokane outfielder, will undoubtedly lead the sluggers of the Northwestern League by a big margin for the 1912 championship. The Philadelphia copper is lambasting the ball at a 407 clip, and what is better, is consistently keeping that pace, if not outstripping it.

Wilson of Seattle is hanging on bravely at 352 and will probably finish shead of "Dad" Meek of Victoria with his paitry 334. "Hap" Myers of Spokane looks like the fourth choice, his average at present being 322, with Ward McDowell of Portland fifth, 319. Altman of Spokane is climbing, while "Pug" Bennett of Vancouver has tumbled from the 300 division.

Bill James of Seattle is the league's leading moundman, with Clark of Vancouver second and Noves of Spokane third. James has struck out 172 batters this season, with Melkle, now of ters this season, with Melkle, now of the season, with Melkle, now of the season. third. James has struck out 113 oatters this season, with Melkie, now of Seattle, second in the list with 162, although he ranks far down the column as a winning slabster.

SAN FRANCISCO, Sept. 14.—A base-ball team, to be composed largely of Pacific Coast League players, with the addition of a few major league stars, probably will make a tour of Australia next Winter, if the plans of J. Cal Ewing and W. J. C. Kelley, of Sydney, who is also the head of the Australian haseball managers, besides being the representative of Hugh Macintosh and the other flight promoters of Australia materialize.

It is planned to take 15 of the best-known players who will consent to take the tirp, including two extra pitchers and catchers, who are to be loaned to the Australian clubs in the games. The promoters of the idea intend to sail from San Francisco November 18 and also at Honolulu.
