

BEND BOY SCOUTS ARE VERSED IN OUTDOOR LIFE

Organization With Membership of 16 Passes Much Time Camping Out Along Deschutes River—Youths Have Clubhouse Near Town.

Dinner Time is a Popular Event.

The Chief Cook and His Assistants.

Camp Toilets are Simple.

BEND, Or., Oct. 5.—(Special).—In probably no section of Oregon do the Boy Scouts contrive to have a better time than is enjoyed by the members of the organization at Bend. While there are but 16 boys actively connected with the local organization, they maintain an exceedingly active club, and get much good from it.

The boys have an attractive club house, or lodge, directly on the banks of the Deschutes River close to town, where great pine trees tower overhead, and where the boys can canoe and practice camping to their hearts' content. Under the guidance of an active scout-master, A. M. Lara, they have taken many "hikes," topping off the summer's activity with a camping trip to the upper timbered regions along the Deschutes River, where they remained for 10 days, practicing the art of practical camping, much as the Guardsmen do at summer maneuvers.

Each of the two patrols, the Wolf and the Panther, have captains, and when expeditioning a species of semi-military discipline is maintained. In addition to having a very good time the boys have picked up a lot of good training in the ways of the open.

The above pictures were taken of the youthful campers during their summer term of camp life, which now has been supplanted with a term of school.

FALL ACTIVITY BEGINS IN PORTLAND CHURCHES

Mission and Sunday School Workers Busy in Week Just Ended—Noted Paulist Fathers Speak and All Denominations Are Alert.

ACTIVITY in mission and Sunday school work has been the predominant note in church matters during the week.

There has been the annual meeting of the Columbia River branch of the Woman's Foreign Mission Society of the Methodist churches, with added importance in that it is the 20th anniversary of the inauguration of the branch, the youngest of 11, founded in the Taylor Street Church on December 7, 1892. Delegates from the States of Oregon, Washington, Idaho, Montana and Northern California have been present.

Today has been set aside by Dr. Young as Mission Sunday, and with that end in view he will preach a special mission sermon this morning, while at the evening service special addresses bearing on mission work will be given by various members of the society, including the active missionaries home on furlough and attending the meeting.

Another mission of importance is that now being conducted at St. Mary's Cathedral by two noted Paulist Fathers from New York, Father Burke and Father Gillies.

Originally a three weeks' mission had been arranged for, but through lack of sufficient time at their disposal, this has been altered to one of two weeks' duration. Last week was devoted to women, and the solemn closing of their services is to take place this afternoon at 3:30 o'clock. In the evening at 7:45 P. M. the men's services start, and they will be continued all the week, in the mornings at 5:30 and 7:30, and in the evenings at 7:45.

Particular interest should be attached to the sermon that will be given by one of the two distinguished visitors at high mass today at 11 o'clock.

Both Father Burke and Father Gillies have been conducting a similar mission down in San Francisco before their arrival here.

The opening of the new and magnificent church house of the First Presby-

Ever See Anything Like ZEMO for Pimples? No, Never!

Surprise Yourself by Buying a 25c Bottle

"Good gracious, look at that! Did you ever see anything like ZEMO in a few hours! ZEMO is certainly a marvel if there ever was one." This is

what you will say after your first trial of the new remedy, ZEMO. You just rub it on the skin, it sinks right in. After a few applications, you are astounded to see every pimple, every blotch, all acne, spots, eruptions, itching, blackheads, prickly heat and rash simply vanish. Prove it conclusively at a cost of only a few cents.

You never saw anything in your life act like ZEMO on inflamed or reddened skin, sores, cuts or bruises, and on dandruff. It makes the skin as gloriously fresh, too, especially after shaving.

ZEMO is sold at drug stores, in 25-cent and 50-cent bottles, or sent direct on receipt of price by E. W. Rorer, Medicine Co., St. Louis, Mo. Just try a 25-cent bottle first, and then when you find out what a wonder it is, get a 50-cent bottle which contains six times as much as the 25-cent bottle.

ZEMO is sold in Portland and guaranteed by Clarke-Woodward Drug Co., 403 Hoyt St., and The Owl Drug Co.'s three stores.

HOW TO DESTROY THE DANDRUFF GERM

BY A SPECIALIST.

That the dandruff germ is responsible for nearly all the diseases to which the scalp is heir, as well as for baldness and premature gray hair, is not unknown fact, but when we realize that it is also indirectly responsible for many of the worst cases of catarrh and consumption, we appreciate the importance of any agent that will destroy it.

Each of the two patrols, the Wolf and the Panther, have captains, and when expeditioning a species of semi-military discipline is maintained. In addition to having a very good time the boys have picked up a lot of good training in the ways of the open.

The above pictures were taken of the youthful campers during their summer term of camp life, which now has been supplanted with a term of school.

with missions and the expression of loyalty.

Mr. and Mrs. L. S. Stevens have preceded him to the convention, for they left last week.

The first quarterly conference of the Norwegian-Danish Methodist Episcopal Church will be held tomorrow night at the church, with the regular prayer meeting next Thursday.

Last Friday the Christian Endeavorers of the Congregational churches held a large rally at the First Church in the evening. Previous to the general rally there was a banquet for the officers only, at which Rev. Luther H. Dyott was the toastmaster.

Dr. Dyott had but the preceding day returned from the annual conference of the Congregational churches of Washington, held this year at Spokane. On Thursday night he spoke before the delegates, taking as his topic, "Where to Put the Emphasis on Religious Life."

Commencing October 8 and lasting three days, the 44th session of the Oregon Conference of Oregon is to be held at Hood River. Starting on Tuesday afternoon with the preparatory service by the minister, Rev. W. C. Kantner, services and sessions will be held morning, afternoon and evening of the Wednesday and Thursday following. When some interesting matters will come up for discussion.

Among them the proposed changes in the National Council and missionary societies, and the benefit they may be to local organizations will be discussed at length by Rev. George N. Edwards, of Oregon City. The meetings are divided into various sessions, such as religious education, church federation and church work, evangelism and social service, an address on the latter being given by Mrs. Lola G. Baldwin.

One pleasing feature of the conference will be the presence of a delegate from Washington. Just as Dr. Dyott represented the Oregon Congregational churches at Spokane, so does Rev. F. Van Horn, of the Plymouth Church, in Seattle, come here on behalf of the Washington churches of this denomination.

Tomorrow evening will witness the meeting of the Congregational Brotherhood of the First Church, when an address will be given by J. D. Lee, the secretary of the National Citizens' League in Oregon. He will take as his topic "Banking and Currency Reform Legislation."

Good citizenship and its value to the community was the main topic of the speeches of prominent business men at the banquet of the Oregon Sunday School Association during its semi-annual rally, held last week.

Rally sessions were held throughout Wednesday at the First Christian Church under the auspices of the Portland Graded-Union of Sunday School Workers. Some 200 attended, practically all of them from Multnomah County. The county superintendents were present from Yamhill, Columbia, Benton and Clackamas.

Following on the successful rally day held last Sunday at the University Park Baptist Church, when the graduating class showed who could work their members had accomplished, there is to be a "boys' day" today and a "girls' day" next week.

This morning's service starts at 10 o'clock, and the program is in the hands of the boys themselves. Recitations and special music will be given by them, and that it is likely to be of the best is to be taken for granted, because the following Sunday the girls are to show what they can do.

There will be two special sermons on Sunday, one on "Individual Valuation" and the other in the evening on "The Arithmetic of God."

Last Monday evening the session and trustees of Trinity Presbyterian
