

SWARTHMORE WINS 6-3 FROM QUAKERS

Surprised, Pennsylvania Unable to Stop Rushing Attack of Collegians.

LOSERS GET FIELD GOAL

Victorious Eleven Carries Ball Total of 263 Yards Against 152 Yards for Opponents — Forward Pass Used Four Times.

PHILADELPHIA, Oct. 12.—Swarthmore College surprised a big surprise on the University of Pennsylvania football team today, giving the Quakers their first defeat of the season. The visitors were victors, 6 to 3. There was no question about the better team winning.

Swarthmore got the jump on Pennsylvania and in the first period carried the ball 80 yards for a touchdown. Marshall made Pennsylvania's only score with a drop kick from the 30-yard line. Swarthmore carried the ball a total of 263 yards against Pennsylvania's total of 152 yards. Pennsylvania used the forward pass eight times, but without succeeding once. Swarthmore used it four times successfully.

WILLIAMS SCORES ON RIVALS

Harvard Makes 26 Points but Opponents Register Three.

CAMBRIDGE, Mass., Oct. 12.—Harvard increased her last year's total in the annual game with Williams today, but the visitors had the satisfaction of being the first team this season to score against the Crimson, the figures for the game standing 26 to 3. Last year's score was 13 to 6.

The Harvard first string of backs punctured the Williams line for long gains during the first two periods, but the substitutes were not successful.

Williams' field goal was the result of four forward passes, which brought the ball within Harvard's 25-yard line. There Michael sent it spinning across the bar for a place kick.

YALE OVERCOMES LAFAYETTE

Line Plunges and Field Goal Give Blue Game, 16 to 0.

NEW HAVEN, Conn., Oct. 12.—Effective line plunging and a goal from the field gave Yale the game with Lafayette, 16 to 0. Yale scored a touchdown in the final three minutes of play, when Flynn carried the ball 45 yards to Lafayette's five-yard line and Cornell kicked the goal for the score. Flynn kicked the goal.

Yale scored another touchdown in the second period, but Flynn's attempt at a goal went wide. Shortly afterward Mack made a goal from the field, from the visitors' 20-yard line.

In the final period, J. Diamond, of Lafayette, made a pretty 35-yard run through a broken field.

TIGERS SHOW IMPROVEMENT

Virginia Polytechnic Eleven Is Defeated by 31 to 0.

PRINCETON, N. J., Oct. 12.—Virginia Polytechnic Institute proved no match for Princeton, the Tigers winning by 31 to 0.

The defensive power of the Southerners was practically nil, with the result that the orange and black was on the attack almost throughout the contest. Most of the scoring was due to the individual work of the back field.

Princeton's team work was much improved, traces of real interference being noticeable in the first time the Fall, S. Baker, who got his first try-out at quarterback, played a strong game.

Cornell Wins Second Game

ITHACA, N. Y., Oct. 12.—Cornell won its second game of football this season today, defeating the University of New York 14 to 6. Cornell showed some improvement, but the playing of the eleven was ragged in the first half.

Colorado "Aggies" Win at Last

FORT COLLINS, Colo., Oct. 12.—The State Agricultural College defeated the State University today for the first time in 16 years. The score was 21 to 0.

PORTLAND BOYS PROMINENT AMONG UNIVERSITY OF WASHINGTON FOOTBALL RECRUITS

Dorman, Halback, Shearer, Center, Leader, R. Tackle, Shiel, L. Half, Spokane

Shearer, the former player for the Hill Military Academy of Portland, is making a strong bid for a job in the middle of the line. Center is his best position, and, as Prester is out of form, he stands a pretty fair chance. Just now Burke Griffiths, a Seattle boy and brother of Captain Tom Griffiths, seems to have a slight edge over him. Leader, from Portland, is showing well at tackle. Shiel and Patten aren't showing all they should, and have had a good chance to watch the game from the sidelines, while men ordinarily subs. Leader included, held their jobs.

Clark and Dorman, formerly Everett High players, showed strong the first of the season, but have weakened somewhat. They're both promising candidates, however.

Shiel, the former Spokane High star, is the real class off the present backfield. He hits the line hard. He plays halfback.

any, and Edwin and Elmer Leader from the Portland High School. Shearer is giving Burke Griffiths and Prester a close race for the center position, and will probably get his chance in one of the conference games before the close of the season. The Leader brothers have been playing hard, consistent football, and have attracted the attention of Coach Dobie. The boys are crew enthusiasts and looked on as likely members of the Washington eight this year, as well as strong contenders for football honors. They were the mainstays of the Portland High team before they came to Washington, and have had a year's training under Dobie.

The lineup of the team, as it will play the University of Puget Sound in a practice game next Saturday, follows: Burke Griffiths, center; Devise and Tom Griffiths, guards; Bliss and Anderson, tackles; Macgillivray and Hunt, ends; Wand, quarterback; Shiel and Herrett, halfbacks; Smith, fullback.

Coyle is Pre-eminent.

At the quarterback position Wand seems to have the edge over Smith, Pi-field and Pancher, although none of them approach Coyle in any department of the game.

OREGON IS VICTOR

Willamette Goes Down in 12-to-0 Defeat on Gridiron.

CORNELL IS STAR PLAYER

Forward Pass Used to Good Effect by Both Teams, Eugene Scoring on Play—Fans Are Treated to New Rules Operations.

BY ROSCOE FAWCETT

(Umpire Oregon-Willamette Game.)
UNIVERSITY OF OREGON, Eugene, Oct. 12.—(Special.)—Willamette University went down to a 12-to-0 defeat before the University of Oregon football huskies this afternoon on a clean, hard-fought struggle in which the new rules greatly increased the efficiency of the offense. The game furnished the first real line play on a conference team, Oregon just about measuring up to the standard expected by Coaches Pinkham, Moores and Main.

The remarkable open field work of Quarterback Cornell, the 127-pound Portland boy, was easily the star feature of the afternoon. Time after time Laurence's successful drive through the team's defense for dazzling gains. On both touchdowns it was Cornell who brought the ball to the striking point.

New Downs Rules Count.

Just at the close of the first quarter Oregon scored the initial touchdown. Willamette, outweighed about five pounds to the man, had been fighting desperately and about holding even when suddenly Cornell shot around the end for 35 yards, placing the leather on the six-yard line. Here the new four-down rule injected itself, for it took four tries to move the ball over the goal. Hall making the touchdown and Bradshaw failing to kick goal.

Neither team had an advantage in the second quarter, although Fullback McKee of the Willamettes distinguished himself by a couple of 20-yard gains. Coach Sweetland's charges essayed a goal from placement, but failed to make the mark.

The second half, Cornell going in at full with Fariss and Soden in the line, while the other side called for the same line-up. The heat seemed to tell on the visitors, for after a few exchanges of kicks, Cook went 22 yards on two successive runs, and then Cornell again astonished the several hundred enthusiasts by skirting the end 20 yards, being downed on the three-yard line.

Cook fumbled and McKee kicked out of danger, but Bridwell sailed 20 yards around right end, almost to the goal line. Here Captain Walker displayed great headwork by calling for a forward pass, and fans were treated to a touchdown on a forward pass over the goal line, the first in the Northwest since the rules change.

Forward Pass Favorite.

Announced the pass and is credited with the touchdown. In the fourth quarter, Halfback Brinkley, of Willamette, intercepted a forward pass and took 35 yards toward the goal before he was overtaken by Fenton, but aside from that one burst Oregon held the upper hand. The half closed with the ball on Willamette's two-yard line.

Oregon used the forward pass with great accuracy all through the game, but Willamette made a couple of substantial gains on double and triple passes. Fenton's kicking was excellent and the defensive work of McKee and Francis, of the Willamettes, can only be characterized as superb. Francis received a badly gashed eye.

Coach Sweetland has a team practically as strong as that which held the Oregon Aggies to a 5-3 score last Fall.

Whether Oregon is stronger is problematical, but at least the boys have been getting a good coaching. Coach Dolan was an interested spectator from Corvallis. The teams lined up as follows:
