Your Old Heater or Range Taken as Part Payment on the Purchase of a New One

Let us remind you that this store can be of great assistance to you now that you are planning for the new heater. We've the kind you want at the price you want to pay

The Best Heaters Are Here

By "best" we mean Heaters that will yield the greatest amount of all-around satisfaction at the least possible outlay of money — fuel savers and heater certainty. But we do not forget that looks count also — looks that do not belittle quality of workmanship of the various parts. We mean to make this store the one place you will think of when nipping days bring up the heater problem for the long chilly days which are just around the corner. Powerful, efficient, good-looking Heaters, quick workers for the household peace of mind — never have we been so absolutely certain of filling exact requirements, never has our stock been so large or the Heaters so fairly priced. This is the place to come to solve the Heater problem, once and for all, and for many years to come.

Quick Sales and Small Profits

You will grow enthusiastic over the price marks shown on the different styles, for we believe a quick sale and a small profit is the best way to win new trade and hold fast to the old. We want you to know this store as truly helpful, especially in Heater values. We take pride in offering you a line of Heaters that is just right and whose parts are guaranteed against imperfections. The virtue of our Heaters lies in the distribution of great heat throughout the room and artistic beauty that will please the eye. It is just such a stock that we tell about today, and no doubt the largest in all Portland. There is a great stock to choose from—all good Heaters—easy to control. Probably no place in Portland can solve the Heater question quicker or more satisfactorily than POWERS.
