NEW YORK FUND \$10,000

Official Writes to McNamara Concerning Damage Caused by "High Wind" to Bridge—Says Letter Was in Good Faith.

INDIANAPOLIS, Dec. 7.—Funds contributed by the International Association of Bridge and Structural Iron Workers to sustain the strike against open shop iron and steel contractors, which was begun in 1905 and which still continues, were investigated in the cross-examination of witnesses by the Government in the dynamite conspiracy trial today.

Organizers Require Money. Asked about a letter to John J. McNamara, he said, "It takes good, hard cash to push them along."

Knowledge of Dynamiting Denied. "As an official of the International Union, did you ever appropriate money for buying nitroglycerin or dynamite, or did you know McNamara was engaged in dynamiting?"

Money Sent to Defense Fund. "Was any part of that strike fund used to defend the McNamaras in Los Angeles?"
