The officers were full military dress, and the Colonel and Mrs. Young and Mrs. Morrison, wife of Lieutenant-Colonel Morrison (now in Washington, D. C. on temporary duty), received the officers. Mrs. Young presided at the punch bowl, assisted by Miss Polly Young and Mrs. Harold Young. It is a custom in the Army for the officers to call on their commanding officer New Year's day at noon. Miss B. K.: The worry and bother of wearing hair-nets and veils to make the hair stay up and conceal that dull, "strawny" unkempt appearance you speak of could be easily avoided if you would stop shampooing with soap. The "frenzy" alkali in soap irritates the scalp, makes the hair straw-colored, and causes dandruff. Shampoo with a teaspoonful of carbox dissolved in a cup of hot water, and your hair will always be light, fluffy and easy to do up, besides looking decidedly neat. This shampoo lathers abundantly, dries quickly, stops itching of the scalp and cleanses as no other shampoo will. The luxury of extreme cleanliness which comes from the use of this shampoo has made it so popular that many of the best hairdressers now use it. A small tin is inexpensive and can be bought at any drug store.

Carmen: It is a very easy matter to reduce your weight without leaving the skin wrinkled and flabby if you only know how. Here is the secret: Buy at any drug store four ounces of pure glycerine and put in 1½ pints of hot water. When cold strain and take a tablespoonful of the liquid before each meal. This is harmless and the pleasing way it will cut down your weight will surprise you. Avoiding rich, solid foods and taking plenty of exercise will add greatly in getting rid of your fat quickly.

Nadie: To strengthen your weak eyes and rid them of that dull, overworked look, put in each eye daily a drop of a fine, strengthening tonic made by dissolving an ounce of crystals in a pint of water. This eye-tonic is very soothing and strengthening, and by using it regularly, in a short time it will make your eyes strong, clear and sparkling. I find it unequalled as a good eye-tonic for treating weak, inflamed, expressionless eyes.

Inez G.: Don't worry; almost everybody else has the same trouble. At the approach of winter the pores in the face usually manifest themselves and what you require to overcome the "stumpy," "muddy" complexion is a good system-tonic and regular use of it. You can easily make it yourself. (Set from 10 to 15 minutes.) Dissolve in a half pint of alcohol (not whisky); then add one-half cupful sugar and one-half cupful water. Shake well. Take a tablespoonful twice before each meal. It is a real skin-chasing tonic, accumulations, and make you strong and healthy, bringing the ruddy glow of perfect health to your cheeks.

Alma B.: You can rid your skin of those unsightly hairs with a simple paste made by mixing enough powdered delatone and the patient desire it for any reason, and let remain two or three minutes. Then rub off, wash the skin and the hairs are gone.
